

Delta Dental Participating Dentists Now Have A Vision Care Discount Program Through EyeMed Vision Care

Delta Dental of Iowa offers participating dentists discounts on products and services through its Value-Added Services Program. The vision discount program provides the following features:

- Discounts on eye exams
- Discounted pricing for lenses and lens options
- Savings on eyeglass frames and conventional contact lenses
- Unlimited use
- Discounts on LASIK and PRK
- Competitive pricing on contact lenses through Contact Lens by Mail
- Access to a large, diverse network of providers

Did you know:

- Only 50% of Americans get regular eye exams.
- One in five people are at risk for vision loss.
- 75% of Americans wear vision correction.

Regular eye exams not only help correct vision problems, but comprehensive eye exams can also reveal the warning signs of more serious undiagnosed health problems such as hypertension, cardiovascular disease and diabetes. No matter what your age, eye exams are important for your overall health.
