

Completing Your Application for Dental Coverage

1. **Determine which coverage is best for you:** Preventive or Preferred Choice.
2. **Complete and sign the Individual Enrollment Application and Account Withdrawal Authorization Form.** Be sure to complete all requested information, including which coverage you've selected. **Sign the application form (front) and withdrawal authorization (back);** also, please read the Agreement and Certification on the reverse side of the Application.
3. **Automatic withdrawals will begin on the 1st or 5th of the month in which coverage begins.**
4. **Applications must be received by the 20th of the month to be effective the first of the following month.** If Delta Dental receives your application after the 20th of the month, your policy will be effective the next month.

Upon completion of your signed application and withdrawal authorization, Delta Dental will process your enrollment for dental coverage. Within 10 days, you will receive an information card and benefits certificate notifying you of the effective date of your coverage so you can begin using your new dental benefits.
