#### **Understanding this Certificate**

Here are some things to keep in mind as you look over the Certificate.

## Let's keep it casual

Insurance is complicated enough. So instead of saying "Eligible Covered Persons" all the time, we'll say *you* and *your* to refer to you and anyone else who's covered under this Certificate. And instead of saying "Delta Dental of Iowa," we'll say *we*, *us* and *our*.

#### Questions about what's covered

Sometimes questions arise about your Certificate. When that happens, we'll help you understand the benefits and the reasons for our decisions.

Keep in mind, we interpret the terms of this Certificate and make all decisions regarding coverage based on it. This includes deciding whether you meet our written eligibility requirements. If there are questions about whether a certain dental procedure is necessary and appropriate, we'll make the decision based on factual information. Our decisions are final and conclusive.

To obtain benefits under this Certificate there are certain procedures you must follow. These procedures appear in different sections of this Certificate, so keep reading so that you fully understand.

#### Sometimes laws change

In this Certificate, we refer to certain laws and regulations. These laws can and do change from time to time. If you have a question about the impact of laws and regulations on your Certificate, please contact us.

#### And finally...

This Certificate does not include all pediatric dental services as required under the Federal Patient Protection and Affordable Care Act. This coverage is available with other Delta Dental of Iowa plans or is available in the Insurance Marketplace.

## Important information

Your Delta Dental PPO Plus Premier™ Certificate is provided by Delta Dental of Iowa.

We've designed this Certificate to encourage you and your family to get regular, preventive dental care. That helps to keep your teeth healthy. And it helps to control costs—for you and for us.

A big part of this program is our network of dentists. Our network consists of:

- PPO Panel Dentists; and
- Premier Panel Dentists

Of course, you can see just about any dentist you want. But there are usually some pretty big advantages for you—like cost savings—when you see a PPO Panel Dentist or Premier Panel Dentist. Together, these two groups of dentists make up our Delta Dental Participating Dentist network. Regardless of your dentist's physical location, if your dentist participates with Delta Dental, they are participating with Delta Dental of lowa.

Generally, you'll save the most when you see PPO Panel Dentists.

The majority of dentists in the U.S. are either PPO Panel Dentists or Premier Panel Dentists. Some dentists, though, choose not to participate in our network. We refer to them as **Non-Participating Dentists**.

How much you pay for Covered Services depends on the benefit category of services you receive and the dentist you receive services from. See the **Summary of Benefits and Payment** charts for an outline of your payment when you see a PPO Panel Dentist, Premier Panel Dentist or a Non-Participating Dentist.

#### What you should know about PPO Panel Dentists

We have contracts with PPO Panel Dentists throughout the state. These contracts subject the dentist to our applicable fee schedule or Maximum Plan Allowance. See **Understanding terms and amounts you pay to share costs** section for a definition of the Maximum Plan Allowance.

When you see PPO Panel Dentists:

- They've agreed to accept Delta Dental's PPO Fee Schedule. This usually means cost savings for you for covered services.
- Your Deductible or Member Coinsurance may be less for covered services than if you see a Premier Panel Dentist or a Non-Participating Dentist.
- They've agreed to file claims for you, and we settle claims directly with them. This means less paperwork and fewer phone calls for you.
- They've agreed to handle the Pre-Treatment Estimate for you. See Pre-Treatment Plan Estimate section for more information.
- They've agreed they'll be paid the lesser of (i) their Billed Charge or (ii) our applicable fee schedule or (iii) the Maximum Plan Allowance for Covered Services. (Keep in mind, this doesn't apply in situations where we don't pay for any part of a service. For example, when you haven't met a Waiting Period or your Deductible, and/or if you've gone over your Benefit Period Maximum.) In these situations, the PPO Panel Dentist is not limited in the amount of payment they may collect from you. See Definitions of

common payment terms section later in this section.

## What you should know about Premier Panel Dentists

We have contracts with Premier Panel Dentists throughout the state. These contracts include payment arrangements based on Dental Dental's applicable fee schedule or on our Maximum Plan Allowance, which usually results in savings for you.

When you see Premier Panel Dentists:

- They agree to accept the Delta Dental Maximum Plan Allowance. This could mean savings for you for Covered Services.
- Your Deductible or Member Coinsurance may be more for Covered Services than if you saw a PPO Panel Dentist. But you'll pay less than if you saw a Non-Participating Dentist.
- They've agreed to file claims for you, and we settle claims directly with them. This means less paperwork and fewer phone calls for you.
- They've agreed to handle the Pre-Treatment Estimate for you. See the **Pre-Treatment Plan Estimate** section for more information.
- They've agreed that they'll be paid the lesser of (i) their Billed Charge or (ii) our Maximum Plan Allowance for Covered Services. (Keep in mind that this doesn't apply in situations where we don't pay for any part of a service. For example, when you haven't met the Waiting Periods or Deductibles, and/or if you've gone over your Benefit Period Maximum.) In these situations, the Premier Dentist is not limited in the amount of payment they may collect from you.

## What you should know about Non-Participating Dentists

Non-Participating (non-par) dentists are those who've chosen not to join a Delta Dental network. That means there's no contract or payment arrangement in place with these dentists, so you won't get the advantages that our participating dentists offer, like lower fees.

When you see Non-Participating Dentists:

- They haven't agreed to accept their local Delta Dental Member Company's PPO payment arrangement or any other payment arrangement. They can charge whatever they want.
- You're responsible for any difference between the dentist's Billed Charge and the Delta Dental Non-Participating Dentist fee schedule.
- They're not responsible for filing your claims or settling your claims with us. That means you'll need to take care of any paperwork and phone calls about your claims.
- We settle claims with you, not the Non-Participating Dentist. However, for Iowa Non-Participating Dentists, the payment will be mailed to you, but the check may be payable to the Non-Participating Dentist. You are responsible for paying your dentist in full. This includes any Deductible, Member Coinsurance and non-approved charges you may owe.
- They don't agree to handle the Pre-Treatment Estimate for you. See **Pre-Treatment Plan Estimate** section for more information.
- Non-Participating Dentist may charge for "infection control." This includes the cost for services and supplies associated with sterilization procedures. You're responsible for these extra charges. (All dentists are legally required to follow certain infection control guidelines. But PPO Panel Dentists and Premier Panel Dentists incorporate these costs into their normal fees—so they don't charge an extra fee for infection control.)

## Keeping an eye on quality and cost

Although a procedure may be listed in a given section as a Benefit, it is important to note that before you are eligible to receive benefits, we first answer the following questions. This helps us ensure you are receiving the right dental care and at the right cost. We ask:

Is the procedure Dentally Necessary?

Both of these must be true for the procedure to be Dentally Necessary:

- The diagnosis is proper and
- The treatment is necessary to preserve or restore the basic form and function of the tooth (or teeth) and the health of the gums, bone, and other tissues supporting the teeth.

Is the procedure Dentally Appropriate?

All of this must be true for the procedure to be Dentally Appropriate:

- The treatment is the most appropriate for your situation and
- The treatment meets professionally recognized standards of dental care, and complies with our clinical criteria and
- The treatment doesn't cost more than other procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. (If this isn't the case, you're responsible for paying the difference. This applies to any services provided).

Do contract limitations apply?

Contract limitations are amounts that are your responsibility based on your Certificate with us. Here are some examples:

- Amounts for procedures that aren't dentally necessary or dentally appropriate.
- Amounts for procedures that aren't covered by this Certificate.
- Amounts for procedures that have frequency or dollar limits (For example, teeth cleanings are covered twice per Benefit Period. Additional teeth cleaning may not be covered—even if your dentist says it's dentally necessary and dentally appropriate. See Benefits for a description of covered procedures and limitations associated with certain procedures.)
- Any difference between the dentist's Billed Charge and the applicable fee schedule, or the Maximum Plan Allowance. This only applies:
  - o If you receive services from a Non-Participating Dentist, or
  - o To procedures that aren't Covered Services, or
  - To services from a PPO Panel Dentist or a Premier Panel Dentist that aren't paid by us to some extent, or
  - o To Deductible(s) and Member Coinsurance.

#### Our payment policy

We send payment after the treatment is complete —not before.

## **Definitions of common payment terms**

We work with insurance all the time. But you probably don't. So, let's make sure we're on the same page when we talk about your benefits and payments. These definitions will help.

#### **Anniversary Date**

The Anniversary Date is the renewal date of the contract between your employer or group sponsor and Delta Dental of Iowa.

#### **Benefit Period**

A Benefit Period is the same as a calendar year. It begins on the day your coverage goes into effect and starts over each January 1. We use your Benefit Period to calculate your Deductible and Benefit Period Maximum, if applicable.

#### **Billed Charge**

The Billed Charge is the amount a dentist bills for a specific dental procedure.

#### **Contract Period Effective Date**

The Contract Period Effective Date is the first day the dental coverage was in effect between your employer or group sponsor and Delta Dental of Iowa.

#### **Covered Person(s)**

Covered Person(s) means any individual eligible for dental benefits under a dental program that is insured or administered by Delta Dental of Iowa (or by a Delta Dental Member Company). An Eligible Covered Person is an employee who has met the employer's eligibly requirements and the employee's eligible Spouse or eligible Child(ren).

An **Adult** Covered Person may be:

- You, the eligible employee
- Your eligible Spouse or Domestic Partner
- An adult child who is age 21 or older as of your employer or group sponsor's Anniversary Date.

Spouse means your husband or wife as the result of a marriage that's legally recognized in lowa. Some employers or group sponsors recognize a domestic partner as a Covered Person.

A Domestic Partner is a person who:

- Has shared a permanent residence with you for more than one year
- Is at least 18 years old
- Isn't a blood relative any closer than would prohibit legal marriage in lowa

A **Child** Covered Person is under age 21 as of your employer or group sponsor's Anniversary Date and may be:

- Your natural child
- A child placed with you for adoption
- A legally adopted child
- A child for whom you have legal guardianship
- A stepchild
- A foster child

A soon-to-be or previously adopted child is eligible for coverage as of the date of placement for adoption, the date of the issuance of a final decree or upon an interlocutory adoption decree becoming a final adoption decree, whichever occurs first.

#### **Covered Services**

Covered Services means dental services allowed under a dental plan administered by us.

### **Delta Dental Member Company**

A company that's an active member or affiliate member of Delta Dental Plans Association (as defined in the Delta Dental Plans Associations bylaws).

#### Maximum Plan Allowance

Maximum Plan Allowance is the amount we establish as the maximum allowable fee for certain Covered Services provided by Premier Panel Dentists. For services billed by Premier Panel Dentists outside of Iowa, the Maximum Plan Allowance is based on information from that state's Delta Dental Member Company.

We establish the Maximum Plan Allowance for dental services contained in the "Current Dental Terminology," book published by the American Dental Association. Several factors are taken into consideration, including but not limited to:

- Contracts with dentists
- The simplicity or complexity of the procedure
- The Billed Charge for the same procedure by dentists in the same geographic area, with similar training and skills
- Leading economic indicators, like the Consumer Price Index

#### **PPO Schedule**

The PPO Schedule is a reduced fee schedule used to pay PPO Panel Dentists for certain Covered Services. This is what helps you save money on your dental care.

## Understanding the terms and amounts you pay to share costs.

#### Deductible

Deductible is the dollar amount you pay for Covered Services for each Covered Person in a Benefit Period before benefits are available under this Certificate (or, in other words, before we start paying under the Certificate). This amount is shown on the **Summary of Benefits and Payment** charts at the beginning of this Certificate.

Please note: The Deductible is paid once, per Covered Person, each Benefit Period.

#### **Member Coinsurance**

Coinsurance is the sharing of dental expenses between Delta Dental and you. The Member Coinsurance is the percentage of the dental expense you pay each time you receive certain Covered Services. The Member Coinsurance amounts are shown on the **Summary of Benefits and Payment** charts at the beginning of this Certificate.

Your coinsurance starts once you fulfill your deductible (if one applies). It's calculated based on the applicable fee schedule. In general, your coinsurance percentage depends on the benefit category of the service you receive and the participation status of your dentist.

#### Benefit Period Maximum or Annual Maximum

The Benefit Period Maximum or Annual Maximum is the maximum amount we may pay for each Covered Person for all Covered Services in a Benefit Period. No further benefits are payable once the Benefit Period Maximum or Annual Maximum has been met. This amount is shown on the **Summary of Benefits and Payment** charts at the beginning of this Certificate, if applicable.

## Other payment responsibilities

In addition to the above, you will be responsible for paying dental care charges when Delta Dental does not make any payment because you have not exhausted your Waiting Period, paid your Deductible or Member Coinsurance, or have exceeded your Benefit Period Maximum, or frequency limitations. This is the case even when a PPO Panel Dentist or Premier Panel Dentist provided the services.

## Filing claims

Once you get dental care, we need to receive a claim. The claim lets us know what services you got, as well as when and from whom.

If your dentist is a Delta Dental Participating Dentist, he or she will file the claim for you. (Another advantage of seeing in-network dentists.)

If you see a Non-Participating Dentist, though, you may need to file the claim yourself.

#### When to file a claim

You should only file a claim if your dentist hasn't filed one for you — and only *after* the procedure is finished.

Make sure the claim is filed promptly after the procedure is done. We may not pay a claim submitted more than 365 days after the services were provided.

If you need a claim form or have questions, please call us at 800-544-0718 or visit www.deltadentalia.com.

If you need to file your own claim, send it to:

Delta Dental of Iowa P.O. Box 9000 Johnston, IA 50131-9000

## Filing claims when you have more than one plan or other coverage.

#### **Coordination of Benefits**

You may have other dental coverage that provides the same or similar benefits as this Certificate. If so, we'll work with your other insurance company to coordinate benefits. The benefits payable under both policies will not be more than 100 percent of either insurance carrier's payment arrangement amount.

When you get dental care, you need to let us know that you have other coverage. Other coverage includes:

- Group insurance (like employer-sponsored)
- Other group benefit plans (such as HMOs, PPOs and self-insured programs)
- Individual and Family dental insurance
- Medicare or other governmental benefits
- Medical benefits coverage under your auto insurance

#### What you should do

To help us coordinate your benefits, you should:

- Tell your dentist about your other coverage when you get services. Your dentist will
  pass the information on to us when the claim is filed.
- Indicate that you have other coverage when you fill out a claim form. We'll let you know if we need any additional information.
- Let us know if you lose your other coverage or it changes.

You must cooperate with us and provide requested information about your other dental coverage. If you don't, your claims will be denied.

#### What we'll do

We'll coordinate the benefit payments between your policies. To do this, we need to determine the order in which each plan will pay. In other words, which plan pays first, and which pays second and so on. Below are the guidelines that help us determine the payment order when you have more than one plan.

Coverage is held as an active employee.	It pays before coverage you hold as a retiree

None of the above guidelines apply.	The coverage with the earliest continuous
	effective date pays first.

If none of the guidelines or situations above apply, we'll rely on the coordination of benefits (COB) rules provided in the lowa Administrative Code to determine the order of payment between the polices and our payment to you or your dentist.

#### How we coordinate benefits for Children

Here are the guidelines we follow to coordinate benefits for your Children when they are covered by more than one dental plan.

None of the guidelines above apply.	The parent's coverage with the earliest continuous effective date pays first.

If none of the guidelines or situations above apply, we'll rely on the coordination of benefits (COB) rules provided in the Iowa Administrative Code to determine the order of payment between the polices and our payment to you or your dentist.

## Appealing our claims decision

If we don't pay all or part of your claim and you think we should, you or your personal representative have the right to ask for an appeal. An appeal is a full and fair review of a claim that we didn't pay in full or in part (adverse benefit determination), without considering our initial decision. To request an appeal, submit a written request within 180 days of receiving the notice letter or explanation of benefits for the claim from us. The written request for an appeal must include:

- The reason why you disagree with our claim decision;
- Documents, records and any other information related to the claim; and,
- Your name, the patient's name and address and identification number on all documents

## **Your Certificate**

Our responsibilities to you, as well as the conditions of your coverage with us, are defined in the documents that make up your contract. Your contract includes any application you submitted to us or to your employer or group sponsor, any agreement or group policy we have with your employer or group sponsor, any application completed by your employer or group sponsor, this Certificate, and any riders or amendments.

All of the statements made by you in any of these materials will be treated by us as representations to us, upon which we may rely. We will not use the statements to deny any claim unless we have furnished you with a copy of the statement.

## **Eligibility enrollment requirements**

To be eligible for this Certificate:

- Active duty in the military of an eligible child or spouse
- Appointment as a legal guardian of a child
- Birth or adoption of a child
- Care of a foster child (when placed in your home by an approved agency)
- Completion of full-time schooling of an eligible child
- Death

- Spouse's or Child's Medicaid, or Children's Health Insurance Program (CHIP) (i.e. Healthy and Well Kids in Iowa "Hawki") coverage is terminated as a result of losing eligibility or the Covered Person becomes eligible for a premium assistance subsidy under Medicaid or CHIP. You need to request coverage within 60 days of losing coverage or 60 days from when eligibility for premium assistance is determined.

## **Qualified Medical Child Support Order (QMCSO)**

If you have a Child and your employer receives a Medical Child Support Order recognizing the Child's right to enroll in this benefit plan, your employer will promptly notify both you and the Child that the order has been received. Your employer will also inform you and the Child of the employer's procedures for determining whether the order is a Qualified Medical Child Support Order. You may obtain, without charge, a copy of QMCSO procedures from your employer or group sponsor.

#### Notification of change

You must notify us within 31 days of the date of the event that changes the status of your eligibility. Delta Dental of Iowa must be notified within 60 days of the date of the event that changes the status of your eligibility for births, adoptions, or due to a change in eligibility status for Medicaid, CHIP, or Hawki. You can ask your employer or group sponsor to help you make this request. If a change to your eligibility isn't made within 31 days of the event, the person(s) affected may lose coverage. Upon notification of a member's death, we will only return premiums for a period of up to 18 months following the date of death.

**Please note:** You must notify us when there is a change in your marital status (i.e. divorce or legal separation) or a Child loses eligibility status.

## **Authorized Certificate changes**

No agent, employee, or representative of ours is authorized to change or waive any of the provisions of this Certificate. This Certificate may only be changed when we:

- Need to make changes to comply with federal or state laws. When this happens, we'll automatically amend this Certificate to comply.
- Send you a written amendment signed by an authorized officer and accepted by you or your employer or group sponsor as shown by payment of the monthly premium.
- Receive proper notice that your marital or eligibility status has changed.

### When coverage begins

Your coverage under this Certificate starts on your Contract Period Effective Date. If you have just started a new job, check with your employer or group sponsor to find out your effective date. Before you receive benefits under this Certificate, you must allow any healthcare provider to give us information about a treatment or condition for which we are being billed. If we don't get the information requested (or if you withhold information in your application), you may not get coverage and benefits may be denied.

If you give us false or misleading information, conceal important details in your application or use the benefits in this Certificate in a fraudulent manner, we may end (terminate) your benefits.

#### When coverage ends

Your coverage will end (terminate) on the last day of the month following any of these events.

- You become ineligible for coverage under this Certificate.
- You become unemployed. Termination of your coverage for this reason applies only if you receive your coverage through your employer or group sponsor.
- Your employer or group sponsor decides to discontinue or replace this coverage.
- We decide to end coverage of all similar policies by giving your employer or group sponsor written notice at least 90 days before it will end.

Your coverage will end (terminate) if any of the following happens:

- You use this Certificate fraudulently. Note: We may recover any claims payments we made, minus any premiums you paid.
- You fraudulently misrepresent or hide important facts in your application. Note: We'll recover any claim payments we made, minus any premiums you paid.
- You or your employer or group sponsor don't pay your premium when it's due.

## Authority to Terminate, Amend, or Modify

Your employer or group sponsor has the authority to terminate, amend or modify the coverage described in this Certificate immediately. Any amendment or modification will be in writing and will be as binding as this Certificate. If your contract is terminated, you may not receive benefits.

## **Continued Coverage (COBRA)**

There are some federal and state laws that may affect your coverage with us. These laws apply to continuing your coverage when you are no longer eligible for group coverage.

## **Coverage Continuation Under Federal Law - COBRA**

The Consolidated Omnibus Budget Reconciliation Act (COBRA) applies to employers with 20 or more employees. COBRA entitles you, your eligible Spouse, and your eligible Child(ren) to a continuation of coverage under this Certificate if coverage is lost due to any of the following qualifying events:

- Death of the employee covered under this Certificate.
- Termination of employment for reasons other than gross misconduct.
- A reduction in hours causing loss of coverage.
- Divorce or legal separation.
- The employee covered under this Certificate becomes entitled to Medicare.
- Child/Children are no longer considered eligible by our eligibility rules.
- The employer from whom the covered employee retired files bankruptcy under federal law (in certain cases).

Please Note: You, your eligible Spouse or your eligible Child(ren) are responsible for notifying your employer or group sponsor of a dissolution of marriage, legal separation or a Child losing eligibility status.

If you wish to continue your coverage, you must complete an election form and submit it to your employer within 60 days of the later of the date:

- You are no longer covered; or
- You are notified of the right to elect COBRA continuation coverage.

You will be responsible for paying any premiums to your employer for the continuation of this Certificate. Depending on how you qualify, you may continue your coverage for up to 18 or 36 months.

If during the period of COBRA coverage, a Child is born to you or placed with you for adoption, the Child can be covered under COBRA coverage and can have election rights of his or her own.

If you or any other Covered Person(s) who have elected COBRA coverage is determined to be disabled under the Social Security Act during the first 60 days of continuation coverage, your COBRA coverage may continue for up to 29 months. The 29-month period will apply to you, your eligible Spouse and/or eligible Child(ren) who elected COBRA coverage. You must provide notice of the disability determination to your employer within 60 days after the determination.

If you lose coverage, contact your employer or group sponsor. They should help you with any necessary paperwork and let you know the cost of continuing your coverage.

## Length of Coverage under COBRA

Continuation of coverage ends at the earliest of one of these events:

- The last day of the 18-, 29-, or 36-month maximum coverage period, whichever is applicable.
- The First day (including grace periods, if applicable) on which timely payment is not made.
- The date on which the employer ceases to maintain any group plan (including successor plans).
- The first day on which a beneficiary is actually covered by any other group plan. However, if the new group plan contains an exclusion or limitation relating to any preexisting condition of the beneficiary, then coverage will end on the earlier of the satisfaction of the waiting period for preexisting conditions contained in the new group plan or upon the occurrence of any one of the other events stated in this section.
- The date the qualified beneficiary is entitled to Medicare benefits.

### Effects of termination

If your coverage is terminated for fraud, misrepresentation or the concealment of material facts:

- We won't pay for any services or supplies provided after the date the coverage is terminated.
- We'll keep legal rights—including the right to initiate a civil action.
- We may declare the coverage void.

If your coverage is terminated for reasons other than fraud, concealment or misrepresentation of material facts, we'll stop benefits the day your coverage is terminated.

## Our right to recover payments Payment in Error

If for any reason we make payment under this Certificate in error, we may recover the amount we paid.

- The responsible person's insurer.
- Uninsured or underinsured motorist coverage.
- Other insurance coverage.

You agree to all of the following: That you will:

- Let us know about any potential claims or rights of recovery related to the illness or injury.
- Give us any information or help we need to enforce our rights under this Certificate.
- Not do anything to prejudice our rights and interests.
- Not compromise, settle, surrender or release any claim or right of recovery described above without our written permission.

- Cooperate with us to make sure our rights to subrogation are protected.

Delta Dental of Iowa P.O. Box 9010 Johnston, IA 50131-9010 Or call 1-800-544-0718

### Nonassignment

Benefits in this Certificate are for you. They can't be transferred or assigned to anyone else without our written permission.

#### Governing law

This Certificate will be interpreted in accordance with and governed by the laws of the state of lowa, unless any federal laws supersede state laws. Any action brought because of a claim under this Certificate will be litigated exclusively in the state or federal courts located in the state of lowa and in no other.

#### Legal action

No legal or equitable action may be brought against us because of a claim under this Certificate, or because of the alleged breach of this Certificate, more than two years after the end of the calendar year in which the services or supplies were provided.

#### For people enrolled in Medicaid

This Certificate will pay benefits for Covered Services to you, or any other person who has been legally assigned the right to receive such benefits under Title XIX of the Social Security Act (Medicaid).

#### Enrollment without regard to Medicaid or CHIP

Your receipt or eligibility for medical assistance under Title XIX of the Social Security Act (Medicaid or CHIP) will not affect your enrollment as a Covered Person(s) under this Certificate. It also won't affect our determination of any benefits paid to you.

#### Third-Party liability for Medicaid payments

If payment has been made by Medicaid, and we have a legal obligation to provide benefits for those services, we'll pay those benefits in accordance with the terms of this Certificate and any state law under which a state acquires the right to such payments.

### Payer of Last Resort

If you are covered by this Certificate and one or more Government-sponsored healthcare or dental programs, such as Medicaid (DWP) or CHIP (Hawki) during the same Benefit Period as

this Certificate, federal and state law requires this Certificate to provide benefits first (or as primary) and the Government-sponsored healthcare/dental programs to provide benefits second (or secondary). If you have coverage from all three of these types of policies at the same time (which is rare, but sometimes happens); the order of benefit processing and payments will be this Certificate, then Hawki and then Medicaid.

## Your ERISA rights

Your rights concerning your coverage may be protected by the Employee Retirement Income Security Act of 1974 (ERISA). Any employee benefit plan established or maintained by an employer or by an employee organization or both is subject to this federal law unless the benefit plan is a governmental or church plan as defined in ERISA. If ERISA applies to your group, you will want to read this section carefully.

Your ERISA rights

The Employee Retirement Income Security Act of 1974 (ERISA) provides that you will be entitled to:

- Examine certain plan documents and copies of documents (such as annual reports) filed by the plan with the United States Department of Labor. You may examine these documents at the Plan Administrator's office or at specified locations. You will not be charged to examine these documents. The latest annual report is available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain copies of certain plan documents from the Plan Administrator upon written request. The Plan Administrator may request a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report if your employer or group sponsor has 100 or more participants in your plan. The Plan Administrator is required by law to furnish you with a copy of this summary annual report.

#### The Responsibility of Your Employee Benefit Plan

In addition to creating rights for you and other participants, ERISA imposes duties upon the people responsible for the operation of your plan. The people responsible are called fiduciaries of the plan. Fiduciaries have a duty to operate your plan prudently and in the interest of you, other plan participants, and your family beneficiaries. No one, including your employer, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a covered benefit or exercising your rights under ERISA. If your claim for a covered benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time requirements.

#### Steps You Can Take to Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request the plan document from the Plan Administrator and do not receive it within 30 days, a federal court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the document, unless the document was not sent because of matters reasonably beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored (in whole or in part), you may file suit in a state or federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified state of a domestic relations order or medical child support

order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

#### Who to Contact When You Have Questions

If you have any questions about your plan, you should contact the Plan Administrator, i.e. your employer or group sponsor. If you have questions about this statement or about your rights under ERISA or HIPAA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest Area Office of the Employee Benefits Security Administration, Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W. Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
