

## Dental Benefits Policy Amendment

This amendment applies to your **Delta Dental Benefits Policy that is effective January 1, 2017**. It should be reviewed and kept with your Policy. All other terms and provisions of the Policy, including any amendments previously issued, remain unaltered and in effect.

---

### **Section: Gum and Bone Disease (Periodontal Service) for Adult and Child Benefits**

Replace paragraph on Complex Periodontal Procedures with the following:

#### **Complex Periodontal Procedures**

Various surgical interventions designed to repair and regenerate gum and bone tissues that support the teeth.

Limitation: Complex periodontal procedures are a benefit only once every 36 consecutive months for each quadrant of the mouth for natural teeth only.

---

All other terms and provisions of your Delta Dental Insurance Policy and Benefits Certificate remain unaltered and in effect.
