IMPORTANT INFORMATION

Your Delta Dental PPOSM coverage is administered by Delta Dental of Iowa. By encouraging preventive care, this dental program is designed to help contain dental costs. The key component of the Delta Dental PPO Program is our panel of Delta Dental PPO Dentists hereafter referred to as “PPO Panel Dentists.” You may seek care from almost any dentist you wish. However, there are usually advantages when you receive services from PPO Panel Dentists or Participating Delta Dental Dentists. “Participating Delta Dental Dentists,” in this Policy, are dentists who participate with Delta Dental of Iowa’s Premier Program or their local Delta Dental Member Company’s Premier Program, but do not participate as a PPO Panel Dentist.

Your payment responsibilities are also outlined in this section of your Policy. How much you pay for Covered Services depends on the benefit category of the service you receive and the dentist you receive services from. It is most often to your financial advantage to receive services from a PPO Panel Dentist or a Participating Delta Dental Dentist.

WHAT YOU SHOULD KNOW ABOUT PPO PANEL DENTISTS

We have contracting relationships with PPO Panel Dentists throughout the state. Our contracts with PPO Panel Dentists include a PPO Schedule. See UNDERSTANDING PAYMENT VOCABULARY later in this section. This PPO Schedule usually results in savings to you. When you receive services from PPO Panel Dentists who participate with Delta Dental of Iowa or any other Delta Dental Member Company, all of the following statements are true:

- PPO Panel Dentists agree to accept their local Delta Dental Member Company’s PPO Schedule, which may result in savings for Covered Services.
- Your Deductible or Member Coinsurance responsibility may be *less* for Covered Services you receive from a PPO Panel Dentist than it would be from a Participating Delta Dental Dentist or a nonparticipating dentist.
- PPO Panel Dentists agree to file claims for you.
- We settle claims directly with PPO Panel Dentists. See UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS later in this section.
- PPO Panel Dentists agree to handle the Treatment Plan Pre-Determinations for you. See the TREATMENT PLAN PRE-DETERMINATION section.
- PPO Panel Dentists agree that he or she will only be paid the lesser of (i) his or her Billed Charge or (ii) Delta Dental’s PPO Schedule for Covered Services. **Important:** This does not apply in the situation where a service otherwise qualifying as a Covered Service is provided and Delta Dental does not reimburse any part of such service. In such situation, the PPO Panel Dentist is not limited in the amount of the payment he or she may collect from you. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

WHAT YOU SHOULD KNOW ABOUT PARTICIPATING DELTA DENTAL DENTISTS

We have contracting relationships with Participating Delta Dental Dentists throughout the state. Our contracts with Participating Delta Dental Dentists include payment arrangements based on Delta Dental's Maximum Plan Allowance. See UNDERSTANDING PAYMENT VOCABULARY later in this section. The Maximum Plan Allowance usually results in savings to you. When you receive services from Participating Delta Dental Dentists who participate with Delta Dental of Iowa or a Delta Dental Member Company, all of the following statements are true:

- Participating Delta Dental Dentists agree to accept their local Delta Dental Member Company's payment arrangements, which may result in savings for Covered Services.
- Your Deductible or Member Coinsurance responsibility may be *more* for Covered Services you receive from a Participating Delta Dental Dentist who is not a PPO Panel Dentist.
- Participating Delta Dental Dentists agree to file claims for you.
- We settle claims directly with Participating Delta Dental Dentists. See UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS later in this section.
- Participating Delta Dental Dentists agree to handle the Treatment Plan Pre-Determination for you. See TREATMENT PLAN PRE-DETERMINATION section.
- Participating Delta Dental Dentists agree that he or she will only be paid the lesser of (i) his or her Billed Charge or (ii) Delta Dental's Maximum Plan Allowance for Covered Services. **Important:** This does not apply in the situation where a service otherwise qualifying as a Covered Service is provided and Delta Dental does not reimburse any part of such service. In such situation, the Participating Delta Dental Dentist is not limited in the amount of the payment he or she may collect from you. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

WHAT YOU SHOULD KNOW ABOUT DENTISTS WHO DO NOT PARTICIPATE WITH DELTA DENTAL

When you receive services from nonparticipating (non-par) dentists, you will not receive any of the advantages that our contracts with PPO Panel Dentists or Participating Delta Dental Dentists offer. As a result, when you receive services from nonparticipating dentists, all of the following statements are true:

- We do not have contracting relationships with nonparticipating dentists and they do not agree to accept their local Delta Dental Member Company's PPO payment arrangement or any other payment arrangement. This means you are responsible for any difference between your nonparticipating dentist's Billed Charge and the PPO Schedule or the Maximum Plan Allowance, as the case may be. See UNDERSTANDING PAYMENT VOCABULARY later in this section.
- Nonparticipating dentists are not responsible for filing your claims.
- We settle claims with you, not nonparticipating dentists. You are responsible for paying your dentist in full, including any Deductible, Member Coinsurance and non-approved charges you may owe. See UNDERSTANDING PAYMENT VOCABULARY later in this section.
- Nonparticipating dentists do not agree to handle the Treatment Plan Pre-Determination for you. See TREATMENT PLAN PRE-DETERMINATION section.
- Nonparticipating dentists may charge for "infection control," which includes the cost for services and supplies associated with sterilization procedures. You are responsible for any extra charges billed by a nonparticipating dentist for "infection control." (All dentists are legally required to follow certain guidelines to protect their patients and staff from exposure to infection. However, PPO Panel Dentists and Participating Delta Dental Dentists incorporate these costs into their normal fees and do not charge an additional fee for "infection control.")

- Nonparticipating dentists do not agree that he or she will only be paid the lesser of (i) his or her Billed Charge or (ii) Delta Dental's PPO Schedule for Covered Services, as do PPO Panel Dentists in certain situations. See UNDERSTANDING PAYMENT VOCABULARY later in this section.
- Nonparticipating dentists do not agree that he or she will only be paid the lesser of (i) his or her Billed Charge or (ii) Delta Dental's Maximum Plan Allowance for Covered Services, as do Participating Delta Dental Dentists in certain situations. See UNDERSTANDING PAYMENT VOCABULARY later in this section.

QUESTIONS WE ASK WHEN YOU RECEIVE DENTAL CARE

Even though a procedure may appear in a given section such as BENEFITS, you should note that before you are eligible to receive benefits, we first answer all of the following questions:

Is the Procedure Dentally Necessary?

All of the following must be true for a procedure to be considered dentally necessary:

- The diagnosis is proper; and
- The treatment is necessary to preserve or restore the basic form and function of the tooth or teeth and the health of the gums, bone, and other tissues supporting the teeth.

Is the Procedure Dentally Appropriate?

All of the following must be true for a procedure to be considered dentally appropriate:

- The treatment is the most appropriate procedure for your individual circumstances; and
- The treatment is consistent with and meets professionally recognized standards of dental care and complies with criteria adopted by us; and
- The treatment is not more costly than alternative procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. **If you receive services which are more costly than those equally effective for the treatment or maintenance of your teeth and supporting structures, you are responsible for paying the difference.**

Is the Procedure Subject to Contract Limitations?

Contract limitations refer to amounts that are your responsibility based on your contractual obligations with us. Examples of contract limitations may include the following:

- Amounts for procedures that are not dentally necessary or dentally appropriate.
- Amounts for procedures that are not covered by this Policy. See SERVICES NOT COVERED section.
- Amounts for procedures that have limitations associated with them. For example, teeth cleaning is covered twice per Benefit Period. More frequent teeth cleaning may not be a benefit even if your dentist verifies that it is dentally necessary and dentally appropriate. See BENEFITS for a description of covered procedures and limitations associated with certain procedures.
- Amounts for procedures that have reached contract maximums. See the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Policy.
- Any difference between the dentist's Billed Charge and the PPO Schedule or the Maximum Plan Allowance, as the case may be. **Please note:** This only applies if you receive services from a nonparticipating dentist or services from a PPO Panel Dentist or a Participating Delta Dental Dentist that are not reimbursed by Delta Dental to some extent.
- Deductible(s) and Member Coinsurance.

OUR PAYMENT POLICY

Our Policy is to send our payment for treatment after it is completed—not before. For example, we will send our payment for:

- A crown when it is seated.
- A fixed or removable prosthesis when it is inserted.
- A root canal when it is filled.

UNDERSTANDING PAYMENT VOCABULARY

Benefit Period

A Benefit Period is the same as a calendar year. It begins on the day your coverage goes into effect and starts over each January 1. This is true for as long as you have coverage. The Benefit Period is important for calculating your Deductible, and Benefit Period Maximum, if applicable.

Billed Charge

The Billed Charge is the amount a dentist bills for a specific dental procedure.

Contract Period Effective Date

Contract Period Effective Date is the first day the dental coverage was in effect between you and Delta Dental of Iowa.

Eligible Covered Person(s) means any individual who has enrolled, been accepted by Delta Dental of Iowa, and paid for coverage and the individual's eligible Spouse and/or eligible Child(ren)

Spouse means your husband or wife as the result of a marriage that is legally recognized in Iowa. Your domestic partner may be an Eligible Covered Person. A domestic partner is a person of the same or opposite sex, whom has shared a permanent residence with you for more than one year, is no less than 18 years of age, is not a blood relative any closer than would prohibit legal marriage in Iowa, you do not qualify for coverage under common law marriage, and you are not legally married to anyone in the state in which you reside.

An eligible Child can be your natural child, a child placed with you for adoption or a legally adopted child, a child for whom you have legal guardianship, a stepchild, or a foster child.  - Your eligible Spouse or domestic partner;
 - An Adult Child who is age 21 or older as of January 1;
 - .
- A **Child** Eligible Covered Person may be:
 - A Child who is under age 21 as of January 1.

Maximum Plan Allowance

Maximum Plan Allowance is the amount which Delta Dental establishes as its maximum allowable fee for the dental services under the Delta Dental Premier Program. For services billed by dentists outside of Iowa, the Maximum Plan Allowance is based on information from that state's Delta Dental Member Company.

The Maximum Plan Allowance is established by Delta Dental for dental services contained in the "Current Dental Terminology" published by the American Dental Association from time to time. It is developed from various sources that may include, but are not limited to, contracts with dentists, the simplicity or complexity of the procedure, the Billed Charge for the same procedure by dentists in the same geographic area and with similar training and skills, and a leading economic indicator, such as the Consumer Price Index.

PPO Schedule

The PPO Schedule is a reduced fee schedule for certain Covered Services. Some Participating Delta Dental Dentists, who are other than general practice dentists, will be considered PPO Panel Dentists except that their payment will be based on the lesser of their Billed Charge or the Maximum Plan Allowance rather than on the PPO Schedule. The Participating Delta Dental Dentists who have agreed to be PPO Panel Dentists will be listed in the Delta Dental of Iowa PPO Panel Dentist Directory, unless they are dentists outside of Iowa.

UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS

Member Coinsurance

Member Coinsurance is the amount, calculated using a fixed percentage, you pay each time you receive certain Covered Services. These amounts are shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Policy.

Member Coinsurance payments begin once you meet any applicable Deductible amounts. Member Coinsurance is calculated off the PPO Schedule or the Maximum Plan Allowance, as the case may be. In general, the percentage of Member Coinsurance you pay depends on the benefit category of the service you receive and participation status of your dentist.

Benefit Period Maximum or Annual Maximum

The Benefit Period Maximum or Annual Maximum is the maximum benefit each Covered Person is eligible to receive for certain Covered Services in a Benefit Period. The Benefit Period Maximum is reached from claims settled under this Policy in a Benefit Period. This amount is shown on the SUMMARY OF BENEFITS AND PAYMENT chart at the beginning of this Policy, if applicable.

Other Payment Responsibilities

In addition to the above, you will be responsible for any charge made by a dentist, even if it is a PPO Panel Dentist or a Participating Delta Dental Dentist, where Delta Dental has not reimbursed to some extent any of the charge because you have not met any applicable waiting periods or deductibles and/or have exceeded any applicable benefit maximum or frequency limitation.

FILING WHEN YOU HAVE OTHER COVERAGE COORDINATION OF BENEFITS

You may have other insurance or coverage that provides the same or similar benefit(s) as this Policy. If so, we will work with your other insurance company or carrier. The benefits payable under this Policy when combined with the benefits paid under your other coverage will not be more than 100 percent of either our payment arrangement amount or the other carrier's payment arrangement amount.

What You Should Do

When you receive services, you need to let us know that you have other coverage. Other coverage includes: group insurance, other group benefit plans (such as HMOs, PPOs, and self-insured programs); Medicare or other governmental benefits; and the medical benefits coverage in your automobile insurance (whether issued on a fault or no-fault basis). To help us coordinate your benefits, you should:

- Inform your dentist by giving him or her information about your other coverage at the time you receive services. Your dentist will pass the information on to us when the claim is filed.
- Indicate that you have other coverage when you fill out a claim form by completing the appropriate boxes on the form. We will contact you if we need any additional information.

You must cooperate with us and provide requested information about your other coverage. If you do not give us necessary information, your claims will be denied.

What We Will Do

There are certain rules we follow to help us determine which Policy pays first when you have other insurance or coverage that provides the same or similar benefits as this Policy.

Here are some of the rules:

- The coverage *without coordination of benefits* pays first when both coverages are through a group sponsor such as an employer, but one coverage has coordination of benefits and one does not.
- The dental benefits of your *auto coverage* will pay before this coverage if the auto coverage does not have a coordination of benefits provision.
- The coverage which you have as *an employee or contract holder* pays before the coverage which you have as a Spouse or Child.
- The coverage you have as *the result of your active employment* pays before coverage you hold as a retiree or under which you are not actively employed.
- The coverage with the *earliest continuous effective date* pays first when none of the above rules apply.

If none of the guidelines just mentioned apply to your situation, we will use the Coordination of Benefits (COB) guidelines adopted by the Iowa Insurance Division to determine our payment to you or to your PPO Panel Dentist or Participating Delta Dental Dentist (as the case may be).

What You Should Know About Children

To coordinate benefits for a Child the following rules apply. For a Child who is:

- *Covered by both parents* who are not separated or divorced or if they are, neither parent has primary physical custody, the coverage of the parent whose birthday occurs first in a calendar year pays first. If another carrier does not use this rule, then the other plan will determine which coverage pays first.
- *Covered by separated or divorced parents* and a court decree says which parent has financial or dental insurance responsibility, that parent's coverage pays first.
- *Covered by separated or divorced parents* and a court decree does not stipulate which parent has financial or dental insurance responsibility, then the coverage of the parent with custody pays first. The payment order for this Child is as follows: custodial parent, Spouse of custodial parent, other parent, and Spouse of other parent.

If none of these rules apply, the parent's coverage with the earliest continuous effective date pays first.

APPEALING A DENIED CLAIM OR ADVERSE BENEFIT DETERMINATION YOUR INITIAL REQUEST FOR A REVIEW
