

Dental Benefits Policy Amendment

This amendment applies to your **Delta Dental Benefits Policy that is effective January 1, 2017**. It should be reviewed and kept with your Policy. All other terms and provisions of the Policy, including any amendments previously issued, remain unaltered and in effect.

Section: Gum and Bone Disease (Periodontal Service) for Adult and Child Benefits

Replace paragraph on Complex Periodontal Procedures with the following:

Complex Periodontal Procedures

Various surgical interventions designed to repair and regenerate gum and bone tissues that support the teeth.

Limitation: Complex periodontal procedures are a benefit only once every 36 consecutive months for each quadrant of the mouth for natural teeth only.

All other terms and provisions of your Delta Dental Insurance Policy and Benefits Certificate remain unaltered and in effect.
