Understanding this Policy

Here are some things to keep in mind as you look over the Policy.

Let's keep it casual

Insurance is complicated enough. So instead of saying "Eligible Covered Persons" all the time, we'll say *you* and *your* to refer to you and anyone else who's covered under this Policy. And instead of saying "Delta Dental of Iowa," we'll say *we*, *us* and *our*.

Questions about what's covered

Sometimes questions arise about your Policy. When that happens, we'll help you understand the benefits and the reasons for our decisions.

Keep in mind, we interpret the terms of this Policy and make all decisions regarding coverage based on it. This includes deciding whether you meet our written eligibility requirements. If there are questions about whether a certain dental procedure is necessary and appropriate, we'll make the decision based on factual information. Our decisions are final and conclusive.

To obtain benefits under this Policy there are certain procedures you must follow. These procedures appear in different sections of this Policy, so keep reading so that you fully understand.

Sometimes laws change

In this Policy, we refer to certain laws and regulations. These laws can and do change from time to time. If you have a question about the impact of laws and regulations on your Policy, please contact us.

And finally...

This policy does not include all pediatric dental services as required under the Federal Patient Protection and Affordable Care Act. This coverage is available with other Delta Dental of Iowa plans or is available in the Insurance Marketplace.

Important information

Iowa Farm Bureau has selected Delta Dental of Iowa to provide your Individual and Family dental coverage.

We've designed this Policy to encourage you and your family to get regular, preventive dental care. That helps to keep your teeth healthy. And it helps to control costs—for you and for us.

A big part of this program is our network of dentists. Our network consists of:

- PPO Panel Dentists; and
- Premier Panel Dentists

Of course, you can see just about any dentist you want. But there are usually some pretty big advantages for you—like cost savings—when you see a PPO Panel Dentist or Premier Panel Dentist. Together, these two groups of dentists make up our Delta Dental Participating Dentist network. Regardless of your dentist's physical location, if your dentist participates with Delta Dental, they are participating with Delta Dental of Iowa.

Generally, you'll save the most when you see PPO Panel Dentists.

The majority of dentists in the U.S. are either PPO Panel Dentists or Premier Panel Dentists. Some dentists, though, choose not to participate in our network. We refer to them as **Non-Participating Dentists**.

How much you pay for Covered Services depends on the benefit category of services you receive and the dentist you receive services from. See the **Summary of Benefits and Payment** charts for an outline of your payment when you see a PPO Panel Dentist, Premier Panel Dentist or a Non-Participating Dentist.

What you should know about PPO Panel Dentists

We have contracts with PPO Panel Dentists throughout the state. These contracts subject the dentist to our applicable fee schedule or Maximum Plan Allowance. See **Understanding terms and amounts you pay to share costs** section for a definition of the Maximum Plan Allowance.

When you see PPO Panel Dentists:

- They've agreed to accept Delta Dental's PPO Fee Schedule. This usually means cost savings for you for covered services.
- Your Deductible or Member Coinsurance may be less for covered services than if you see a Premier Panel Dentist or a Non-Participating Dentist.
- They've agreed to file claims for you, and we settle claims directly with them. This means less paperwork and fewer phone calls for you.
- They've agreed to handle the Pre-Treatment Estimate for you. See Pre-Treatment Plan Estimate section for more information.
- They've agreed they'll be paid the lesser of (i) their Billed Charge or (ii) our applicable fee schedule or (iii) the Maximum Plan Allowance for Covered Services. (Keep in mind, this doesn't apply in situations where we don't pay for any part of a service. For example, when you haven't met a Waiting Period or your Deductible, and/or if you've gone over your Benefit Period Maximum.) In these situations, the PPO Panel Dentist is not limited in the amount of payment they may collect from you. See Definitions of common payment terms section later in this section.

What you should know about Premier Panel Dentists

We have contracts with Premier Panel Dentists throughout the state. These contracts include payment arrangements based on Delta Dental's applicable fee schedule or on our Maximum Plan Allowance, which usually results in savings for you.

When you see Premier Panel Dentists:

- They agree to accept the Delta Dental Maximum Plan Allowance. This could mean savings for you for Covered Services.
- Your Deductible or Member Coinsurance may be *more* for Covered Services than if you saw a PPO Panel Dentist. But you'll pay less than if you saw a Non-Participating Dentist.
- They've agreed to file claims for you, and we settle claims directly with them. This means less paperwork and fewer phone calls for you.
- They've agreed to handle the Pre-Treatment Estimate for you. See the **Pre-Treatment Plan Estimate** section for more information.
- They've agreed that they'll be paid the lesser of (i) their Billed Charge or (ii) our Maximum Plan Allowance for Covered Services. (Keep in mind that this doesn't apply in situations where we don't pay for any part of a service. For example, when you haven't met the Waiting Periods or Deductibles, and/or if you've gone over your Benefit Period Maximum.) In these situations, the Premier Dentist is not limited in the amount of payment they may collect from you.

What you should know about Non-Participating Dentists

Non-Participating (non-par) dentists are those who've chosen not to join a Delta Dental network. That means there's no contract or payment arrangement in place with these dentists, so you won't get the advantages that our participating dentists offer, like lower fees.

When you see Non-Participating Dentists:

- They haven't agreed to accept their local Delta Dental Member Company's PPO payment arrangement or any other payment arrangement. They can charge whatever they want.
- You're responsible for any difference between the dentist's Billed Charge and the Delta Dental Non-Participating Dentist fee schedule.
- They're not responsible for filing your claims or settling your claims with us. That means you'll need to take care of any paperwork and phone calls about your claims.
- We settle claims with you, not the Non-Participating Dentist. However, for Iowa Non-Participating Dentists, the payment will be mailed to you, but the check may be payable to the Non-Participating Dentist. You are responsible for paying your dentist in full. This includes any Deductible, Member Coinsurance and non-approved charges you may owe.
- They don't agree to handle the Pre-Treatment Estimate for you. See **Pre-Treatment Plan Estimate** section for more information.
- Non-Participating Dentist may charge for "infection control." This includes the cost for services and supplies associated with sterilization procedures. You're responsible for these extra charges. (All dentists are legally required to follow certain infection control guidelines. But PPO Panel Dentists and Premier Panel Dentists incorporate these costs into their normal fees—so they don't charge an extra fee for infection control.)

Keeping an eye on quality and cost

Although a procedure may be listed in a given section as a Benefit, it is important to note that before you are eligible to receive benefits, we first answer the following questions. This helps us ensure you are receiving the right dental care and at the right cost. We ask:

Is the procedure Dentally Necessary?

Both of these must be true for the procedure to be Dentally Necessary:

- The diagnosis is proper and
- The treatment is necessary to preserve or restore the basic form and function of the tooth (or teeth) and the health of the gums, bone, and other tissues supporting the teeth.

Is the procedure Dentally Appropriate?

All of this must be true for the procedure to be Dentally Appropriate:

- The treatment is the most appropriate for your situation and
- The treatment meets professionally recognized standards of dental care, and complies with our clinical criteria and
- The treatment doesn't cost more than other procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. (If this isn't the case, you're responsible for paying the difference. This applies to any services provided).

Do policy limitations apply?

Policy limitations are amounts that are your responsibility based on your Policy with us. Here are some examples:

- Amounts for procedures that aren't dentally necessary or dentally appropriate.
- Amounts for procedures that aren't covered by this Policy.
- Amounts for procedures that have frequency or dollar limits (For example, teeth cleanings are covered twice per Benefit Period. Additional teeth cleaning may not be covered—even if your dentist says it's dentally necessary and dentally appropriate. See Benefits for a description of covered procedures and limitations associated with certain procedures.)
- Amounts for procedures that have reached policy maximums. See the **Summary of Benefits and Payment** charts at the beginning of this Policy.
- Any difference between the dentist's Billed Charge and the applicable fee schedule, or the Maximum Plan Allowance. This only applies:
 - If you receive services from a Non-Participating Dentist, or
 - To procedures that aren't Covered Services, or
 - To services from a PPO Panel Dentist or a Premier Panel Dentist that aren't paid by us to some extent, or
 - To Deductible(s) and Member Coinsurance.

Our payment policy

We send payment after the treatment is complete —not before. For example, we'll send our payment for:

- A crown when it's seated or placed.
- A fixed or removable prosthesis when it's inserted.
- Dentures when delivered.
- A root canal when it's filled.

How Waiting Periods affect benefit payments

A Waiting Period is the amount of time you need to wait before certain benefits are available under this Policy.

Six-month Waiting Period

You need to be covered by this Policy for six (6) consecutive months before the following benefit categories are available:

- Root canals (endodontic services)
- Gum and bone diseases (periodontal services)

Twelve-month Waiting Period

You need to be covered by this Policy for 12 consecutive months before the following benefit categories are available:

- High-cost restorations (Restorations) – this includes crowns
- Bridges
- Dentures
- Dental implants

Getting credit toward the Waiting Period

If you had other dental coverage before this Policy, you may be able to get credit toward the Waiting Periods for this Policy. To qualify:

- You must *not* have had more than a 63-day lapse in coverage before the Policy Effective Date.
- The previous dental coverage must have been continuous.
- The previous coverage dental must have included benefits for major services, including root canals (endodontics), gum and bone diseases (periodontal services) and high-cost restorations (crowns, bridges and dentures).
- You must provide proof of your previous dental coverage. The proof must include:
 - A letter from your previous carrier on their letterhead. The letter must include the:
 - Coverage effective and termination dates
 - Names of people who were covered
 - Listing of the benefit categories (types of benefits covered) or a summary of benefits outline.

Definitions of common payment terms

We work with insurance all the time. But you probably don't. So, let's make sure we're on the same page when we talk about your benefits and payments. These definitions will help.

Benefit Period

A Benefit Period is the same as a calendar year. It begins on the day your coverage goes into effect and starts over each January 1. We use your Benefit Period to calculate your Deductible and Benefit Period Maximum, if applicable.

Billed Charge

The Billed Charge is the amount a dentist bills for a specific dental procedure.

Covered Services

Covered Services means dental services allowed under a dental plan administered by us.

Delta Dental Member Company

A company that's an active member or affiliate member of Delta Dental Plans Association (as defined in the Delta Dental Plans Associations bylaws).

Covered Person(s)

Covered Person(s) means any individual who has enrolled, been accepted by Delta Dental of Iowa, and paid for coverage and the individual's eligible Spouse and/or eligible Child (ren).

An **Adult** Covered Person is age 21 or older as of January 1 of the Benefit Period and may be:

- You, the policyholder
- Your eligible Spouse or Domestic Partner
- An adult child who is age 21 or older as of January 1 of the Benefit Period

Spouse means your husband or wife as the result of a marriage that's legally recognized in Iowa. Your Domestic Partner may be a Covered Person — as long as you don't qualify for coverage under common law marriage and you aren't legally married to anyone else.

A Domestic Partner is a person who:

- Has shared a permanent residence with you for more than one year
- Is at least 18 years old
- Isn't a blood relative any closer than would prohibit legal marriage in Iowa

A **Child** Covered Person is under age 21 as of January 1 of the Benefit Period and may be:

- Your natural child
- A child placed with you for adoption
- A legally adopted child
- A child for whom you have legal guardianship
- A stepchild
- A foster child

A soon-to-be or previously adopted child is eligible for coverage as of the date of placement for adoption, the date of the issuance of a final decree or upon an interlocutory adoption decree becoming a final adoption decree, whichever occurs first.

Iowa Farm Bureau Member

Iowa Farm Bureau Member is a person who has an active membership with the Iowa Farm Bureau.

Maximum Plan Allowance

Maximum Plan Allowance is the amount we establish as the maximum allowable fee for certain Covered Services provided by Premier Panel Dentists. For services billed by Premier Panel Dentists outside of Iowa, the Maximum Plan Allowance is based on information from that state's Delta Dental Member Company.

We establish the Maximum Plan Allowance for dental services contained in the "Current Dental Terminology," book published by the American Dental Association. Several factors are taken into consideration, including but not limited to:

- Contracts with dentists
- The simplicity or complexity of the procedure
- The Billed Charge for the same procedure by dentists in the same geographic area, with similar training and skills
- Leading economic indicators, like the Consumer Price Index

Policy Effective Date

The Policy Effective Date is the first day the dental coverage was in effect for you with Delta Dental.

PPO Schedule

The PPO Schedule is a reduced fee schedule used to pay PPO Panel Dentists for certain Covered Services. This is what helps you save money on your dental care.

Understanding the terms and amounts you pay to share costs.

Deductible

Deductible is the dollar amount you pay for Covered Services for each Covered Person in a Benefit Period before benefits are available under this Policy (or, in other words, before we start paying under the Policy). This amount is shown on the **Summary of Benefits and Payment** charts at the beginning of this Policy.

Please note: The Deductible is paid once, per Covered Person, each Benefit Period.

Member Coinsurance

Coinsurance is the sharing of dental expenses between Delta Dental and you. The Member Coinsurance is the percentage of the dental expense you pay each time you receive certain Covered Services. The Member Coinsurance amounts are shown on the **Summary of Benefits and Payment** charts at the beginning of this Policy.

Your coinsurance starts once you fulfill your deductible (if one applies). It's calculated based on the applicable fee schedule. In general, your coinsurance percentage depends on the benefit category of the service you receive and the participation status of your dentist.

Benefit Period Maximum or Annual Maximum

The Benefit Period Maximum or Annual Maximum is the maximum amount we may pay for each Covered Person for all Covered Services in a Benefit Period. No further benefits are payable once the Benefit Period Maximum or Annual Maximum has been met. This amount is shown on the **Summary of Benefits and Payment** charts at the beginning of this Policy, if applicable.

Other payment responsibilities

In addition to the above, you will be responsible for paying dental care charges when Delta Dental does not make any payment because you have not exhausted your Waiting Period, paid your Deductible or Member Coinsurance, or have exceeded your Benefit Period Maximum, or frequency limitations. This is the case even when a PPO Panel Dentist or Premier Panel Dentist provided the services.

Pre-Treatment Plan Estimate Process

When you need any kind of dental care, it's a good idea to make sure you, your dentist and your insurance company are on the same page. That's what the Pre-Treatment Plan Estimate does for you. The purpose of Pre-Treatment Plan Estimate is to help control the cost of your benefits — not to keep you from receiving dentally necessary and dentally appropriate treatment. Our benefit review is based on the treatment plan submitted by your dentist. Think of it as a system of checks and balances for your dental coverage. The Pre-Treatment Plan Estimate helps:

- Determine whether services are dentally necessary and dentally appropriate;
- Confirm the benefits of your Policy; and
- You understand your payment and ours, if covered.

What you should do

For certain dental care, you should notify us before treatment starts. For others, you must notify us and get our approval first.

You should notify us before you get services for the following benefit categories:

- Periodontal surgery
- High-cost restorations (including crowns, onlays and bridges)
- Dental implants
- Any treatment that will cost more than \$300

What's a treatment plan?

Your dentist creates the treatment plan. It describes the treatment he or she recommends for you. It also helps us determine if the procedure is a benefit under your Policy and if it is dentally necessary and dentally appropriate.

Who sends the treatment plan to us?

As long as your dentist is a Delta Dental Participating Dentist, he or she will send the treatment plan to us. (That's another benefit of working with an in-network dentist!)

But, if your dentist is a Non-Participating Dentist, you'll need to send the treatment plan to us. A complete treatment plan includes:

- The plan of treatment, and
- X-rays (please send x-rays within 15 business days of receipt of the proposed treatment plan)

Where to send a treatment plan

If your dentist is a Non-Participating Dentist, you'll need to send the proposed treatment plan, x-rays and supporting information to:

Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000

Our review of the treatment plan

Once we get your treatment plan and related information, we'll review everything. Then we'll let you and your dentist know of our decision within 15 business days of receiving the information.

We'll either:

- Accept the treatment plan.

- Recommend an alternative benefit. If we ask you to receive a second opinion from a dentist of our choice we'll pay for the exam.
- Deny the treatment plan because:
 - The procedure isn't a benefit of your Policy;
 - You didn't get a second opinion after we asked you to; or
 - The procedure isn't dentally necessary and dentally appropriate.

What you can do if the treatment plan is denied

If we deny a treatment plan, you can ask us to reconsider. To do that, resubmit the plan with more information and ask us—in writing—to reconsider. If needed, we may have you get an exam from an independent dentist of our choice – we'll pay for the exam.

Keep in mind, even if we approve a treatment plan, we're not liable for the actual treatment you get from your dentist.

Filing claims

Once you get dental care, we need to receive a claim. The claim lets us know what services you got, as well as when and from whom.

If your dentist is a Delta Dental Participating Dentist, he or she will file the claim for you. (Another advantage of seeing in-network dentists.)

If you see a Non-Participating Dentist, though, you may need to file the claim yourself.

When to file a claim

You should only file a claim if your dentist hasn't filed one for you — and only *after* the procedure is finished.

Make sure the claim is filed promptly after the procedure is done. We may not pay a claim submitted more than 365 days after the services were provided.

If you need a claim form or have questions, please call us at 800-544-0718 or visit www.deltadentalia.com.

If you need to file your own claim, send it to:

Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000

Filing claims when you have more than one policy or other coverage.

Coordination of Benefits

You may have other dental coverage that provides the same or similar benefits as this Policy. If so, we'll work with your other insurance company to coordinate benefits. The benefits payable under both policies will not be more than 100 percent of either insurance carrier's payment arrangement amount.

When you get dental care, you need to let us know that you have other coverage. Other coverage includes:

- Group insurance (like employer-sponsored)
- Other group benefit plans (such as HMOs, PPOs and self-insured programs)
- Individual and Family dental insurance
- Medicare or other governmental benefits
- Medical benefits coverage under your auto insurance

What you should do

To help us coordinate your benefits, you should:

- Tell your dentist about your other coverage when you get services. Your dentist will pass the information on to us when the claim is filed.
- Indicate that you have other coverage when you fill out a claim form. We'll let you know if we need any additional information.
- Let us know if you lose your other coverage or it changes.

You must cooperate with us and provide requested information about your other dental coverage. If you don't, your claims will be denied.

What we'll do

We'll coordinate the benefit payments between your policies. To do this, we need to determine the order in which each policy will pay. In other words, which policy pays first, and which pays second and so on. Below are the guidelines that help us determine the payment order when you have more than one policy.

If...	Then...
Both coverages are through a group sponsor (like an employer), but one coverage has coordination of benefits and one doesn't.	The coverage without coordination of benefits pays first.
Coverage is through an auto policy, and it doesn't have a coordination of benefits provision.	The dental benefits of your auto coverage will pay before this Policy.
Coverage held as an employee or policyholder (i.e. Individual & Family policy).	It pays before the coverage you have as a Spouse or Child.
Coverage is held as an active employee.	It pays before coverage you hold as a retiree or under which you're not actively employed.
None of the above guidelines apply.	The coverage with the earliest continuous effective date pays first.

If none of the guidelines or situations above apply, we'll rely on the coordination of benefits (COB) rules provided in the Iowa Administrative Code to determine the order of payment between the policies and our payment to you or your dentist.

How we coordinate benefits for Children

Here are the guidelines we follow to coordinate benefits for your Children when they are covered by more than one dental policy.

If the Child is...	Then...
Covered by both parents who aren't separated or divorced.	The coverage of the parent whose birthday occurs first in a calendar year pays first. If the other carrier doesn't use this guideline, then the other policy will pay first.
Covered by both parents who are separated or divorced but neither parent has primary physical custody.	The coverage of the parent whose birthday occurs first in a calendar year pays first. If the other carrier doesn't use this guideline, then the other policy will pay first.
Covered by separated or divorced parents and a court decree says which parent has financial or dental insurance responsibility.	That parent's policy pays first.
Covered by separated or divorced parents and a court decree does <i>not</i> say which parent has financial or dental insurance responsibility.	The coverage of the parent with custody pays first. The payment order for this Child is: <ul style="list-style-type: none"> • Custodial parent • Spouse of custodial parent • Other parent • Spouse of other parent
None of the guidelines above apply.	The parent's coverage with the earliest continuous effective date pays first.

If none of the guidelines or situations above apply, we'll rely on the coordination of benefits (COB) rules provided in the Iowa Administrative Code to determine the order of payment between the policies and our payment to you or your dentist.

Appealing our claims decision

If we don't pay all or part of your claim and you think we should, you or your personal representative have the right to ask for an appeal. An appeal is a full and fair review of a claim that we didn't pay in full or in part (adverse benefit determination), without considering our initial decision. To request an appeal, submit a written request within 180 days of receiving the notice letter or explanation of benefits for the claim from us. The written request for an appeal must include:

- The reason why you disagree with our claim decision;
- Documents, records and any other information related to the claim; and,
- Your name, the patient's name and address and identification number on all documents

Our reply

Generally, within 30 days of receiving your request, we'll send you our decision in writing. We'll also tell you about any action we have taken. During this time, you may send us additional documentation to support the claim.

Sometimes we may need 60 days. If that happens, we'll let you know in writing. After that time, we'll make the final decision on the claim based on the information we have in our file.

Reviewing records

When you ask us, we'll give you access to and copies of all documents, records, and other information related to your claims for benefits. There's no cost for this.

To schedule an appointment, just call us in advance at 800-544-0718 or mail your request to:

Delta Dental of Iowa
P.O. Box 9010
Johnston, IA 50131-9010

Your Policy

Our responsibilities to you, as well as the conditions of your coverage with us, are defined in the documents that make up your contract. Your contract includes any application you submitted to us, this Policy, and any riders or amendments.

All of the statements made by you in any of these materials will be treated by us as representations to us, upon which we may rely. We will not use the statements to deny any claim unless we have furnished you with a copy of the statement.

Eligibility enrollment requirements

To be eligible for this Policy:

- You must be a permanent Iowa resident.
- You must be an Iowa Farm Bureau Member.
- If you drop (terminate) coverage, you will not be eligible to re-enroll in this or any other Delta Dental of Iowa PPO Individual and Family plan for 24 consecutive months, unless you've had continuous coverage with similar qualifying benefits.
- If you terminate your Iowa Farm Bureau Membership, you can reapply for coverage with Delta Dental of Iowa on a direct enrollment basis. Your deductible, annual benefit maximums and waiting periods accrued will be applied to your new Policy if the new coverage is effective within 60 days of termination of this Policy.
- You cannot be covered by more than one Delta Dental of Iowa Individual and Family plan at the same time. This does not apply to Children.

Eligibility changes and qualifying events

Certain events may require you to change who's covered by this Policy. These events include:

- Active duty in the military of an eligible child or spouse
- Appointment as a legal guardian of a child
- Birth or adoption of a child
- Care of a foster child (when placed in your home by an approved agency)
- Completion of full-time schooling of an eligible child
- Death
- Divorce, annulment or legal separation
- Exhaustion of COBRA coverage
- Marriage
- Spouse or child loses eligibility for qualifying dental coverage, i.e., employer or group sponsor stops contributing to qualifying dental plan. In this case, your spouse or child would be eligible for coverage under this Policy.
- Spouse's or Child's Medicaid, or Children's Health Insurance Program (CHIP) (i.e. Healthy and Well Kids in Iowa "Hawki") coverage is terminated as a result of losing eligibility or the Covered Person becomes eligible for a premium assistance subsidy under Medicaid or CHIP. You need to request coverage within 60 days of losing coverage or 60 days from when eligibility for premium assistance is determined.

Notification of change

You must notify us within 60 days of the date of the event that changes the status of your eligibility. If a change to your eligibility isn't made within 60 days of the event, the person(s) affected may lose coverage. Upon notification of a member's death, we will only return premiums for a period of up to 18 months following the date of death.

Please note: You must notify us when there is a change in your marital status (i.e. divorce or legal separation) or a Child loses eligibility status.

Authorized policy changes

No agent, employee, or representative of ours is authorized to change or waive any of the provisions of this Policy. This Policy may only be changed when we:

- Need to make changes to comply with federal or state laws. When this happens, we'll automatically amend this Policy to comply.
- Send you a written amendment signed by an authorized officer and accepted by you as shown by payment of the monthly premium.
- Receive proper notice that your marital or eligibility status has changed.

Premiums

You must pay the full amount of your premium by the due date. Payment must be made before the 1st of each calendar month. You can pay by automatic withdrawal (ACH) from a checking or savings account or with a valid credit card (i.e., American Express, Discover, MasterCard or Visa).

When coverage begins

Your coverage under this Policy starts on your Policy Effective Date. Before you receive benefits under this Policy, you must allow any healthcare provider to give us information about a treatment or condition for which we are being billed. If we don't get the information requested (or if you withhold information in your application), you may not get coverage and benefits may be denied.

If you give us false or misleading information, conceal important details in your application or use the benefits in this Policy in a fraudulent manner, we may end (terminate) your benefits.

When coverage ends

Your coverage will end (terminate) on the last day of the month following any of these events. You become ineligible for coverage under this Policy if:

- You decide to discontinue, terminate, or replace this coverage. Note, you need to notify us in writing at least 20-days before you want to end coverage.
- We decide to end coverage of all similar policies by giving you written notice at least 90 days before it will end.
- You're no longer a permanent resident of Iowa.
- When you cancel your Iowa Farm Bureau membership, your coverage under this policy will be terminated at the end of the month following the 30 day notice of termination.

Your coverage will end (terminate) if any of the following happens:

- You use this Policy fraudulently. Note: We may recover any claims payments we made, minus any premiums you paid.
- You fraudulently misrepresent or hide important facts in your application. Note: We'll recover any claim payments we made, minus any premiums you paid.
- You don't pay your premium when it's due.

Effects of termination

If your coverage is terminated for fraud, misrepresentation or the concealment of material facts:

- We won't pay for any services or supplies provided after the date the coverage is terminated.
- We'll keep legal rights—including the right to initiate a civil action.
- We may declare the coverage void.

If your coverage is terminated for reasons other than fraud, concealment or misrepresentation of material facts, we'll stop benefits the day your coverage is terminated.

If you're totally disabled and a covered loss happens while this Policy is in force, and continues after this Policy is terminated, your benefits for the covered loss will be available after the Policy terminates. However, your benefits will be limited to the Policy's Benefit Period Maximum payable for the loss—and only until the end of the Benefit Period (which is a calendar year).

If you change from one Delta Dental of Iowa Individual and Family plan to another Delta Dental of Iowa Individual and Family plan during your Benefit Period, your benefits will not re-start with the new plan. Benefits used on the first or existing plan will be accumulated and rolled over to the new plan.

Our right to recover payments

Payment in Error

If for any reason we make payment under this Policy in error, we may recover the amount we paid.

Subrogation

Once you receive benefits under this Policy due to an illness or injury, we'll assume any legal right you have to collect any payment related to the illness or injury. That includes benefits from:

- The responsible person's insurer.
- Uninsured or underinsured motorist coverage.
- Other insurance coverage.

You agree to all of the following: That you will:

- Let us know about any potential claims or rights of recovery related to the illness or injury.
- Give us any information or help we need to enforce our rights under this Policy.
- Not do anything to prejudice our rights and interests.
- Not compromise, settle, surrender or release any claim or right of recovery described above without our written permission.
- Reimburse us for benefit payments made under this Policy, if you get paid from the other party.
- Let us know if you may have the right to receive payment from someone else.
- Cooperate with us to make sure our rights to subrogation are protected.

Other information notice

You can send any notice to our home office:

*Delta Dental of Iowa
P.O. Box 9010
Johnston, IA 50131-9010*

Any notice from us to you is valid when sent to the address we have for you in our records.

Nonassignment

Benefits in this Policy are for you. They can't be transferred or assigned to anyone else without our written permission.

Governing law

This Policy will be interpreted in accordance with and governed by the laws of the state of Iowa, unless any federal laws supersede state laws. Any action brought because of a claim under this Policy will be litigated exclusively in the state or federal courts located in the state of Iowa and in no other.

Legal action

No legal or equitable action may be brought against us because of a claim under this Policy, or because of the alleged breach of this Policy, more than two years after the end of the calendar year in which the services or supplies were provided.

For people enrolled in Medicaid

This Policy will pay benefits for Covered Services to you, or any other person who has been legally assigned the right to receive such benefits under Title XIX of the Social Security Act (Medicaid).

Enrollment without regard to Medicaid or CHIP

Your receipt or eligibility for medical assistance under Title XIX of the Social Security Act (Medicaid or CHIP) will not affect your enrollment as a Covered Person(s) under this Policy. It also won't affect our determination of any benefits paid to you.

Third-Party liability for Medicaid payments

If payment has been made by Medicaid, and we have a legal obligation to provide benefits for those services, we'll pay those benefits in accordance with the terms of this Policy and any state law under which a state acquires the right to such payments.

Payer of Last Resort

If you are covered by this Policy and one or more Government-sponsored healthcare or dental programs, such as Medicaid (DWP) or CHIP (Hawki) during the same Benefit Period as this Policy, federal and state law requires this Policy to provide benefits first (or as primary) and the Government-sponsored healthcare/dental programs to provide benefits second (or secondary). If you have coverage from all three of these types of policies at the same time (which is rare, but sometimes happens); the order of benefit processing and payments will be this Policy, then Hawki and then Medicaid.
