

Orthodontia Benefits

Understand
What's Covered

Your orthodontia benefits depend on the dental plan you have through Delta Dental of Iowa. Generally, Delta Dental will pay 50% of the treatment cost, up to a lifetime maximum benefit and a specified age.

HOW BENEFIT PAYMENTS WORK

Orthodontic treatment normally occurs over an extended period of time, so benefit payments are made over the course of treatment. The covered child must have continuous coverage under the dental plan to receive ongoing orthodontic benefit payments.

Benefit payments are made:

1. When braces are initially placed.
2. Quarterly until treatment is completed or until the lifetime maximum benefit is reached.

Below is an example of what you could expect if you have a child who needs braces.

Total fee charged	\$6,000
Treatment length	24 months
Dental plan lifetime maximum benefit	\$2,000
Down payment (25% paid upon placement)	\$1,500 (\$6,000 x 25%)
Charges for monthly fee	\$4,500 (\$6,000 - \$1,500)
Monthly fee	\$187.50 (\$4,500/24 months)

The chart below shows how to determine what your plan would pay vs. what you would pay out-of-pocket:

NEW TREATMENT		
	Delta Dental of Iowa*	You
Down payment	\$750 (50% of down payment)	\$750
Monthly fee	\$93.50 (50% of \$187.50 monthly fee paid quarterly up to \$1,250**)	\$93.50 (50% of \$187.50 monthly fee until the plan maximum is met) \$187.50 (for remaining months of treatment)
Total amount paid	\$2,000	\$4,000
Plan lifetime ortho maximum remaining	\$0	N/A

*You may be subject to a deductible. Please see your benefit summary for plan details.

**Benefit payments may meet plan maximum before treatment is complete.
