

## 2019 Small Group Plan Changes

For 2019, Delta Dental of Iowa will no longer offer certain Small Group plans. Groups that are enrolled in these plans will automatically be moved to a plan that most closely matches their current benefits. The charts below show the plans that will no longer be offered (left column) and the plan they will be moved to for 2019 (middle column).

If your clients would like to look at other plan options, please use the 2019 Small Group Product Guide to view all available Delta Dental plans.
