

Revolving loan fund, new team members, and more

Updates from Delta Dental of Iowa

NEW! Revolving Loan Fund

We're excited to announce our new Revolving Loan Fund, supporting private practice ownership and succession through 1% interest loans from \$50,000-\$500,000. Administered by Iowa Area Development Group with \$2 million in funding from Delta Dental of Iowa, this unique program will work to strengthen economic vitality and access to care in Iowa communities.

Learn more about the application process during one of the upcoming webinars:

- Friday, March 6, 12 p.m.
- Thursday, March 12, 6 p.m.

Meet Teri and Amy!

Teri Raney

Amy Quigley

Two new faces join the Delta Dental Team

Our Professional Relations team is growing, and we're excited to introduce new team members who may now serve as your primary point of contact. [Teri Raney](#) and [Amy Quigley](#) join us as professional relations consultants, dedicated to supporting dental offices across Iowa. You may hear from them soon as they reach out to introduce themselves and learn more about your practice. We encourage you and your office staff to reach out to any member of our team whenever questions arise.

Supporting your mental health

The Iowa Dental Advocacy for Professional and Personal Thriving Program ([IADAPT](#)) is entering its second year, continuing to offer exclusive coaching and therapy services to Iowa dentists. Designed with intention and care, IADAPT is a trusted, reliable, and **confidential** resource created specifically for the dental profession.

The program is designed to address the complex, career-specific challenges dentists may face at any point in their careers. The exact things that make you competent and successful in the field of dentistry also give you particular vulnerabilities. IADAPT was built to provide specialized, personalized support in the format that works best for each individual. [Learn more.](#)

Supporting the next generation of dental hygienists and assistants

As demand for dental care access continues to grow across Iowa, the Delta Dental of Iowa Foundation has invested in three key educational programs that will play an integral role in the future. Our strategic investments in these programs will help ensure the continuation and expansion of training for the next generation of professionals in our state. [See the impact.](#)

For your **smile**. For your **health**.

For your **community**.
