AUTHORIZATION TO DISCLOSE PROTECTED HEALTH INFORMATION

Protected Health Information to be Disclosed: I authorize Delta Dental of Iowa to disclose the protected health information described in this form to the named Authorized Personal Representative.

This authorization shall include and apply to any and all protected health information related to treatments where the individual has requested a restriction and/or for any health care item or service for which the health care provider/dentist has been paid out of pocket in full.

Effect of Granting this Authorization: I understand if the person or entity that receives the information requested is not covered by federal or state privacy laws, the information described above may be redisclosed and will no longer be protected by law.

Prohibition on Rediscovery: This form does not authorize the disclosure of medical/dental information beyond the limits of the authorization. Where information has been disclosed from the records protected by Federal law for alcohol/drug abuse records or state law for mental health records, the Federal requirements (42 CFR Part 2) and state requirements (Iowa Code Chapter 228) prohibit further disclosure without the specific written consent of the patient, or as otherwise permitted by such law and/or regulations. A general authorization for the release of medical/dental or other information is NOT sufficient for this purpose.
