

Dental Education Loan Repayment Programs

What is the Loan Repayment Program?

The Delta Dental of Iowa (DDIA) Loan Repayment Program offers a \$50,000 award for the repayment of dental education debt to be used over a three-year grant period. The Loan Repayment Program was developed in 2002 and is funded solely by DDIA, offering one \$50,000 award per year.

What is the FIND Program?

The Fulfilling Iowa's Need for Dentists (FIND) project is an expansion of the loan repayment program. The FIND project works to stimulate community matching funds and promotes the loan repayment program to targeted communities in partnership with the state of Iowa. The program offers up to \$100,000 for dental education debt over a five-year period.
