IMPORTANT INFORMATION

Your Delta Dental PPO Plus Premier™ coverage is administered by Delta Dental of Iowa. By encouraging preventive care, this dental program is designed to help contain dental costs. The key component of the Delta Dental PPO Program is our panel of Delta Dental PPO Dentists, hereafter referred to as “PPO Panel Dentists”. You may seek care from almost any dentist you wish. However, there are usually advantages when you receive services from PPO Panel Dentists or Participating Delta Dental Dentists. “Participating Delta Dental Dentists,” in this Certificate, are dentists who participate with Delta Dental of Iowa or their local Delta Dental Member Company’s Premier Program, but do not participate as a PPO Panel Dentist.

Your payment responsibilities are also outlined in this section of your Certificate. How much you pay for Covered Services depends on the benefit category of the service you receive and the dentist you receive services from. It is most often to your financial advantage to receive services from a PPO Panel Dentist or a Participating Delta Dental Dentist.

WHAT YOU SHOULD KNOW ABOUT PPO PANEL DENTISTS

We have contracting relationships with PPO Panel Dentists throughout the state. Our contracts with PPO Panel Dentists include an applicable fee schedule or the Maximum Plan Allowance. See **Understanding Payment Vocabulary** later in this section. This applicable fee schedule or Maximum Plan Allowance usually results in savings to you. When you receive services from PPO Panel Dentists who participate with Delta Dental of Iowa or any other Delta Dental Member Company, all of the following statements are true:

- PPO Panel Dentists agree to accept their local Delta Dental Member Company’s PPO Schedule, which may result in savings for Covered Services.
- Your deductible or coinsurance responsibility may be *less* for Covered Services you receive from a PPO Panel Dentist than it would be from a Participating Delta Dental Dentist or a nonparticipating dentist.
- PPO Panel Dentists agree to file claims for you.
- We settle claims directly with PPO Panel Dentists. You are responsible for any deductible and coinsurance amounts you may owe. See **Understanding Amounts You Pay to Share Costs** later in this section.
- PPO Panel Dentists agree to handle the notification program for you. See **The Notification Program** section.

- PPO Panel Dentists agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) the applicable fee schedule or Delta Dental's Maximum Plan Allowance for Covered Services. **Important:** This does not apply in the situation where a service otherwise qualifying as a Covered Service is provided and Delta Dental does not reimburse any part of such service. In such situation, the PPO Panel Dentist is not limited in the amount of the payment he or she may collect from you. See **Understanding Payment Vocabulary** later in this section.

WHAT YOU SHOULD KNOW ABOUT PARTICIPATING DELTA DENTAL DENTISTS

We have contracting relationships with Participating Delta Dental Dentists throughout the state. Our contracts with Participating Delta Dental Dentists include payment arrangements based on Delta Dental's applicable fee schedule or the Maximum Plan Allowance. See **Understanding Payment Vocabulary** later in this section. The applicable fee schedule or Maximum Plan Allowance usually results in savings to you. When you receive services from Participating Delta Dental Dentists who participate with Delta Dental of Iowa or a Delta Dental Member Company, all of the following statements are true:

- Participating Delta Dental Dentists agree to accept their local Delta Dental Member Company's payment arrangement, which may result in savings for Covered Services.
- Your deductible or coinsurance responsibility may be *more* for Covered Services you receive from a Participating Delta Dental Dentist who is not a PPO Panel Dentist.
- Participating Delta Dental Dentists agree to file claims for you.
- We settle claims directly with Participating Delta Dental Dentists. You are responsible for any deductible and coinsurance amounts you may owe. See **Understanding Amounts You Pay To Share Costs** later in this section.
- Participating Delta Dental Dentists agree to handle the notification program for you. See **The Notification Program** section.
- Participating Delta Dental Dentists agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) the applicable fee schedule or Delta Dental's Maximum Plan Allowance for Covered Services. **Important:** This does not apply in the situation where a service otherwise qualifying as a Covered Service is provided and Delta Dental does not reimburse any part of such service. In such situation, the Delta Dental Dentist is not limited in the amount of the payment he or she may collect from you. See **Understanding Payment Vocabulary** later in this section.

WHAT YOU SHOULD KNOW ABOUT DENTISTS WHO DO NOT PARTICIPATE WITH DELTA DENTAL

When you receive services from nonparticipating (non-par) dentists, you will not receive any of the advantages that our contracts with PPO Panel Dentists or Participating Delta Dental Dentists offer. As a result, when you receive services from nonparticipating dentists, all of the following statements are true:

- We do not have contracting relationships with nonparticipating dentists and they do not agree to accept their local Delta Dental Member Company's PPO payment arrangement or any other payment arrangement. This means you are responsible for any difference between your nonparticipating dentist's Billed Charge and the Delta Dental nonparticipating dentist fee schedule. See **Understanding Payment Vocabulary** later in this section.
- Nonparticipating dentists are not responsible for filing your claims.
- We settle claims with you, not nonparticipating dentists. However, for Iowa nonparticipating dentists, the payment will be mailed to you but the check may be payable to the nonparticipating dentist. You are responsible for paying your dentist in full, including any Deductible, Member Coinsurance and non-approved charges you may owe. See **Understanding Payment Vocabulary** later in this section.
- Nonparticipating dentists do not agree to handle the notification program for you. See **The Notification Program** section.
- Nonparticipating dentists may charge for "infection control," which includes the costs for services and supplies associated with sterilization procedures. You are responsible for any extra charges billed by a nonparticipating dentist for "infection control." (All dentists are legally required to follow certain guidelines to protect their patients and staff from exposure to infection. However, PPO Panel Dentists and Participating Delta Dental Dentists incorporate these costs into their normal fees and do not charge an additional fee for "infection control.")
- Nonparticipating dentists do not agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) the applicable fee schedule or Delta Dental's PPO Schedule for Covered Services, as do PPO Panel Dentists in certain situations. See **Understanding Payment Vocabulary** later in this section.

QUESTIONS WE ASK WHEN YOU RECEIVE DENTAL CARE

Even though a procedure may appear in a given section such as **Benefits**, you should note that before you are eligible to receive benefits, we first answer all of the following questions:

Is the Procedure Dentally Necessary?

All of the following must be true for a procedure to be considered dentally necessary:

- The diagnosis is proper; and
- The treatment is necessary to preserve or restore the basic form and function of the tooth or teeth and the health of the gums, bone, and other tissues supporting the teeth.

Is the Procedure Dentally Appropriate?

All of the following must be true for a procedure to be considered dentally appropriate:

- The treatment is the most appropriate procedure for your individual circumstances; and
- The treatment is consistent with and meets professionally recognized standards of dental care and complies with criteria adopted by us; and
- The treatment is not more costly than alternative procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. **If you receive services which are more costly than those equally effective for the treatment or maintenance of your teeth and supporting structures, you are responsible for paying the difference.**

Is the Procedure Subject to Contract Limitations?

Contract limitations refer to amounts that are your responsibility based on your contractual obligations with us. Examples of contract limitations include all of the following:

- Amounts for procedures that are not dentally necessary or dentally appropriate.
- Amounts for procedures that are not covered by this Certificate. See **Services Not Covered**.
- Amounts for procedures that have limitations associated with them. For example, teeth cleaning is covered twice per benefit period. More frequent teeth cleaning is not a benefit even if your dentist verifies that it is dentally necessary and dentally appropriate. See **Benefits** for a description of covered procedures and limitations associated with certain procedures.
- Amounts for procedures that have reached contract maximums. See the **Summary of Benefits and Payment** chart at the beginning of this Certificate.
- Any difference between the dentist's billed charge and the applicable fee schedule or the Maximum Plan Allowance. **Please note:** This only applies if you receive services from a nonparticipating dentist or for procedures that are not Covered Services or services from a PPO Panel Dentist or a Participating Delta Dental Dentist that are not reimbursed by Delta Dental to some extent.

- Deductible(s) and Member Coinsurance.

OUR PAYMENT POLICY

Our policy is to send our payment for treatment after it is completed—not before. For example, we will send our payment for:

- A crown when it is seated.
- A fixed or removable prosthesis when it is inserted.
- A root canal when it is filled.

UNDERSTANDING PAYMENT VOCABULARY

Anniversary Date

The Anniversary Date is the renewal date of the contract between your employer or group sponsor and Delta Dental of Iowa.

Benefit Period

A benefit period is the same as a calendar year. It begins on the day your coverage goes into effect and starts over each January 1. This is true for as long as you have coverage. The benefit period is important for calculating your deductible and benefit period maximum, if applicable.

Billed Charge

The billed charge is the amount a dentist bills for a specific dental procedure.

Contract Period Effective Date

Contract Period Effective Date is the first day the dental contract was in effect between your employer or group sponsor and Delta Dental of Iowa.

Covered Charge

The covered charge is the amount a dentist bills for a dental procedure *that is a covered benefit under your Certificate*.

Covered Services

Covered Services means dental services allowed as a result of being insured by, or included under a dental plan administered by, Delta Dental (or by a Delta Dental Member Company).

Delta Dental Member Company

Delta Dental Member Company means a company that is an active member or affiliate member of Delta Dental Plans Association, as defined in the Delta Dental Plans Associations Bylaws.

Eligible Covered Person(s)

Covered Person means any individual eligible for dental benefits under a dental program that is insured or administered by Delta Dental (or by a Delta Dental Member Company). An Eligible Covered Person is an employee who has met the employer's eligibility requirements and the employee's eligible Spouse and eligible Child(ren).

Maximum Plan Allowance

Maximum Plan Allowance is the amount which Delta Dental establishes as its maximum allowable fee for certain Covered Services provided by dentists who participate in the Delta Dental Premier Program. For services billed by dentists outside of Iowa, the Maximum Plan Allowance is based on information from that state's Delta Dental Member Company.

The Maximum Plan Allowance is established by Delta Dental for dental services contained in the "Current Dental Terminology" published by the American Dental Association from time to time. It is developed from various sources that may include, but are not limited to, contracts with dentists, the simplicity or complexity of the procedure, the Billed Charge for the same procedure by dentists in the same geographic area and with similar training and skills, and a leading economic indicator, such as the Consumer Price Index.

PPO Schedule

The PPO Schedule is a reduced fee schedule for certain Covered Services. Some Participating Delta Dental Dentists, who are other than general practice dentists, will be considered PPO Panel Dentists except that their payment will be based on the lesser of their billed charge or the Maximum Plan Allowance rather than on the PPO Schedule. The Participating Delta Dental Dentists who have agreed to be PPO Panel Dentists will be listed in the Delta Dental of Iowa PPO Panel Dentist Directory.

UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS

Deductible

Deductible is the fixed dollar amount you pay for Covered Services for each Covered Person in a benefit period before benefits are available under this Delta Dental Certificate. This amount is shown on the **Summary of Benefits and Payment** chart at the beginning of this Certificate, if applicable.

Member Coinsurance

Member Coinsurance is the amount, calculated using a fixed percentage, you pay each time you receive certain Covered Services. These amounts are shown on the **Summary of Benefits and Payment** chart at the beginning of this Certificate.

Member Coinsurance payments begin once you meet any applicable deductible amounts. Coinsurance is calculated off the applicable fee schedule or the Maximum Plan Allowance, as the case may be. In general, the percentage of coinsurance you pay depends on the benefit category of the service you receive and participation status of your dentist.

Benefit Period Maximum or Annual Maximum

The Benefit Period Maximum or Annual Maximum is the maximum benefit each Covered Person is eligible to receive for certain Covered Services in a Benefit Period. The Benefit Period Maximum is reached from claims settled under this Certificate in a benefit period. This amount is shown on the **Summary of Benefits and Payment** chart at the beginning of this Certificate. *Please Note:* The Benefit Period Maximum is a combined maximum for PPO, Premier, and Non-Participating Providers.

Other Payment Responsibilities

In addition to the above, you will be responsible for any charge made by a dentist, even if it is a PPO Panel Dentist or a Participating Delta Dental Dentist, where Delta Dental has not reimbursed to some extent any of the charge because the service is not covered, you have not met any applicable waiting periods or deductibles and/or have exceeded any applicable benefit maximum or frequency limitation.

THE NOTIFICATION PROGRAM

This section explains the notification program you or your dentist should follow before you receive certain benefits available under this Certificate. This program is the checks and balances of your dental coverage. It helps:

- Determine that services are dentally necessary and dentally appropriate;
- Confirm the benefits of your Certificate.

THE APPROVAL

The purpose of the notification program is to help control the cost of your benefits — not to keep you from receiving dentally necessary and dentally appropriate treatment. Our review is based on the treatment plan submitted by your dentist.

You should also notify us before you receive treatment from any benefit category that will exceed \$300.

Our review is based on the treatment plan submitted by your dentist.

THE TREATMENT PLAN

A treatment plan describes the treatment your dentist has recommended for you and helps us determine if the procedure is a benefit of your Certificate as well as dentally necessary and dentally appropriate.

When to Submit a Treatment Plan

You will need to file a treatment plan only if your dentist is nonparticipating —PPO Panel Dentists and Participating Delta Dental Dentists agree to file for you.

A complete treatment plan includes the plan of treatment and x-rays. Please send the x-rays within 15 working days of receipt of the proposed treatment plan.

Where to Send a Treatment Plan

Submit the proposed treatment plan, along with x-rays and supporting information to:

*Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000*

THE TREATMENT PLAN REVIEW

Once we receive the treatment plan and proper documentation, we will let you and your dentist know if the treatment plan is approved within 15 working days. We will take one of the following three actions when we receive your treatment plan:

- **Accept** it as submitted.
- **Recommend an alternative benefit.** If we ask you to receive an independent diagnosis from a dentist of our choice, we will pay for the exam.
- **Deny the treatment plan** because:
 - the procedure is not a benefit of your Certificate;
 - you did not receive an independent exam after we asked you to; or
 - the procedure is not dentally necessary and dentally appropriate.

Reconsideration Request of Treatment Plan

If we deny a treatment plan, you can resubmit it with additional documentation and ask us, in writing, to reconsider. If necessary, we will ask you to receive an independent diagnosis from an independent dentist of our choice—we will pay for the exam.

Please note: Although we may approve a treatment plan, we are not liable for the actual treatment you receive from your dentist.

FILING CLAIMS

Once you receive dental services, we need to receive a claim to determine the amount of your benefits. The claim lets us know the services you received, when you received them, and from which dentist. You will need to file a claim only when you use a nonparticipating dentist who does not agree to file a claim for you—PPO Panel Dentists and Participating Delta Dental Dentists file for you.

WHEN TO FILE YOUR CLAIM

After you receive services, you should file a claim only if your dentist has not filed one for you. Delta Dental may deny payment of a claim submitted more than 365 days after the date services were rendered.

You should file a claim only *after* the procedure is completely finished. Do not file for payment before a procedure is completed.

If you need a claim form or have any questions after reading this section, please call us or visit our website www.deltadentalia.com. For your convenience, we have listed our toll-free number on the back cover of this Certificate. If you must file your own claim, send it to the following address:

*Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000*

FILING WHEN YOU HAVE OTHER COVERAGE COORDINATION OF BENEFITS

You may have other insurance or coverage that provides the same or similar benefit(s) as this Certificate. If so, we will work with your other insurance company or carrier. The benefits payable under this Certificate when combined with the benefits paid under your other coverage will not be more than 100 percent of either our payment arrangement amount or the other carrier's payment arrangement amount.

What You Should Do

When you receive services, you need to let us know that you have other coverage. Other coverage includes: group insurance, other group benefit plans (such as HMOs, PPOs, and self-insured programs); Medicare or other governmental benefits; and the medical benefits coverage in your automobile insurance (whether issued on a fault or no-fault basis). To help us coordinate your benefits, you should:

- Inform your dentist by giving him or her information about your other coverage at the time you receive services. Your dentist will pass the information on to us when the claim is filed.
- Indicate that you have other coverage when you fill out a claim form by completing the appropriate boxes on the form. We will contact you if we need any additional information.

You must cooperate with us and provide requested information about your other coverage. If you do not give us necessary information, your claims will be denied.

What We Will Do

There are certain rules we follow to help us determine which Certificate pays first when you have other insurance or coverage that provides the same or similar benefits as this Certificate. Here are some of the rules:

- The coverage **without coordination of benefits** pays first when both coverages are through a group sponsor such as an employer, but one coverage has coordination of benefits and one does not.
- The dental benefits of your **auto coverage** will pay before this coverage if the auto coverage does not have a coordination of benefits provision.
- The coverage which you have as **an employee or contract holder** pays before the coverage which you have as a spouse or child.
- The coverage you have as **the result of your active employment** pays before coverage you hold as a retiree or under which you are not actively employed.
- The coverage with the **earliest continuous effective date** pays first when none of the above rules apply.

If none of the guidelines just mentioned apply to your situation, we will use the Coordination of Benefits (COB) guidelines adopted by the Iowa Insurance Division to determine our payment to you or to your PPO Panel Dentist or Participating Delta Dental Dentist (as the case may be).

What You Should Know About Children

To coordinate benefits for a child the following rules apply. For a child who is:

- **Covered by both parents** who are not separated or divorced or if they are, neither parent has primary physical custody, the coverage of the parent whose birthday occurs first in a calendar year pays first. If another carrier does not use this rule, then the other plan will determine which coverage pays first.
- **Covered by separated or divorced parents** and a court decree says which parent has financial or dental insurance responsibility, that parent's coverage pays first.
- **Covered by separated or divorced parents** and a court decree does not stipulate which parent has financial or dental insurance responsibility, then the coverage of the parent with custody pays first. The payment order for this child is as follows: custodial parent, spouse of custodial parent, other parent, and spouse of other parent.

If none of these rules apply, the parent's coverage with the earliest continuous effective date pays first.

FOUR CERTIFICATE

Our responsibilities to you, as well as the conditions of your coverage with us, are defined in the documents that make up your contract. Your contract includes any application you submitted to us or to your employer or group sponsor, any agreement or group policy we have with your employer or group sponsor, any application completed by your employer or group sponsor, this Certificate, and any riders or amendments. All of the statements made by your employer or group sponsor or you in any of these materials will be treated by us as representations to us, upon which we may rely. We will not use the statements to deny any claim unless we've furnished you with a copy of the statement.

COVERAGE ELIGIBILITY ELIGIBLE COVERED PERSONS

An eligible Covered Person is an employee who has met the employer's eligibility requirements and the employee's eligible spouse or eligible child(ren).

Spouse means your husband or wife as the result of a marriage that is legally recognized in Iowa. An eligible child can be your natural child, a child placed with you for adoption or a legally adopted child, a child for whom you have legal guardianship, a stepchild, or a foster child. Children must meet at least one of the following standard requirements to be an eligible child:

- The child is under age 26.
- The child is age 26 or older, not married, and a full-time student. For an eligible child to be considered a full-time student they must be enrolled in an accredited institution of higher learning, such as a college, university, nursing, or trade school, and carry enough hours to be classified by the institution as full-time. Full-time student status continues during regularly scheduled school vacation periods, and during absence from class in which enrolled for up to four months due to a physical or mental disability. The disability must be substantiated by a written statement from a physician.
- The child is a dependent of the child's parent and is totally or permanently disabled, either physically or mentally. If the dependent child is permanently disabled, the disability must have existed before the child was age 19 or while the child was a full-time student under 26 years of age, and the child must have had continuous qualifying dental coverage without a break of 63 days or more since the child turned age 19 or while the child was a full-time student under age 26.

A child who has been placed in your home for the purpose of adoption or who you have adopted shall be eligible for coverage as of the date of placement for adoption or as of the date of actual adoption, whichever occurs first.

ELIGIBLE CHILD(REN) COVERAGE TERMINATES

Coverage for an eligible child over age 26 will terminate at the end of the third month in which they cease to be a full-time student.

Eligibility Enrollment Requirements

This benefit plan includes the following eligibility enrollment requirements:

- You must apply for coverage when initially eligible or due to a Qualifying Event.
- If you do not apply for coverage when initially eligible you will not be eligible to enroll in this Plan until your employer or group sponsor's next Anniversary Date; unless the election is due to a Qualifying Event.
- If you drop coverage you will not be eligible to re-enroll in this Plan, until your employer or group sponsor's next Anniversary Date; unless the election is due to a Qualifying Event.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)

If you have a child and your employer receives a Medical Child Support Order recognizing the child's right to enroll in this benefit plan, your employer will promptly notify both you and the child that the order has been received. Your employer also will inform you and the child of the employer's procedures for determining whether the order is a Qualified Medical Child Support Order. You may obtain, without charge, a copy of QMCSO procedures from your employer or group sponsor.

WHEN COVERAGE BEGINS

Your coverage under this Certificate begins on your effective date. If you have just started a new job, check with your employer or group sponsor to find out your effective date.

Please note: Before you receive benefits under this Certificate, you have agreed in your application for coverage (or in documents kept by us or your employer or group sponsor) to release any necessary information requested about you so we can process claims for benefits. You must allow any healthcare provider or his or her employee to give us information about a treatment or condition. If we do not receive the information requested, or if you withhold information in your application, your benefits may be denied.

If you fraudulently use your identification card or misrepresent or conceal material facts in your application, then we may terminate your benefits.

WHEN COVERAGE ENDS

Your eligibility for coverage will terminate at the end of the month for any of these reasons:

- You become ineligible for coverage under this Certificate. See *Eligible Covered Persons* earlier in this section.
- You become unemployed. Termination of your Certificate for this reason applies only if you receive your coverage through your employer.
- Your employer or group sponsor decides to discontinue or replace this coverage.
- We decide to terminate coverage of all similar Certificates by giving written notice to your employer or group sponsor 90 days prior to termination.

Your coverage will end if any of the following occurs:

- You use this Certificate fraudulently or you fraudulently misrepresent or conceal material facts in your application. If this happens, we will recover any claim payments we made, minus any premiums paid.
- You or your employer or group sponsor fail to make payments to us when due.

Authority to Terminate, Amend, or Modify

Your employer or group sponsor has the authority to *terminate, amend or modify the coverage described in this Certificate at any time*. Any amendment or modification will be in writing and will be as binding as this Certificate. *If your contract is terminated, you may not receive benefits.*

CONTINUED COVERAGE (COBRA)

There are some federal and state laws that may affect your coverage with us. These laws apply to continuing your coverage when you are no longer eligible for group coverage.

Coverage Continuation Under Federal Law — COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) applies to employers with 20 or more employees. COBRA entitles you, your eligible spouse and your eligible children to a continuation of coverage under this Certificate if coverage is lost due to any of the following qualifying events:

- Death of the employee covered under this Certificate.
- Termination of employment for reasons other than gross misconduct.
- A reduction in hours causing loss of coverage.

- Divorce or legal separation.
- The employee covered under this Certificate becomes entitled to Medicare.
- Child/Children are no longer considered eligible by our eligibility rules.
- The employer from whom the covered employee retired files bankruptcy under federal law (in certain cases).

Please note: You, your eligible spouse or your eligible children are responsible for notifying your employer or group sponsor of a dissolution of marriage, legal separation or a child losing eligibility status.

If you wish to continue your coverage, you must complete an election form and submit it to your employer within 60 days of the later of the date:

- You are no longer covered; or
- You are notified of the right to elect COBRA continuation coverage.

You will be responsible for paying any premiums to your employer for the continuation of this Certificate. Depending on how you qualify, you may continue your coverage for up to 18 or 36 months.

If during the period of COBRA coverage, a child is born to you or placed with you for adoption, the child can be covered under COBRA coverage and can have election rights of his or her own.

If you or any other eligible Covered Person(s) who have elected COBRA coverage is determined to be disabled under the Social Security Act during the first 60 days of continuation coverage, your COBRA coverage may continue for up to 29 months. The 29-month period will apply to you, your eligible spouse and/or eligible child(ren) who elected COBRA coverage. You must provide notice of the disability determination to your employer within 60 days after the determination.

If you lose your coverage, contact your employer or group sponsor. They should help you with any necessary paperwork and let you know the cost of continuing your coverage.

Length of Coverage under COBRA

Continuation coverage ends at the earliest of one of these events:

- The last day of the 18-, 29-, or 36-month maximum coverage period, whichever is applicable.
- The first day (including grace periods, if applicable) on which timely payment is not made.

- The date on which the employer ceases to maintain any group plan (including successor plans).
- The first day on which a beneficiary is actually covered by any other group plan. However, if the new group plan contains an exclusion or limitation relating to any preexisting condition of the beneficiary, then coverage will end on the earlier of the satisfaction of the waiting period for preexisting conditions contained in the new group plan or upon the occurrence of any one of the other events stated in this section.
- The date the qualified beneficiary is entitled to Medicare benefits.

PREMIUMS

You or your employer or group sponsor must pay us in advance of the due date assigned for your Certificate. For example, payment must be made prior to the beginning of each calendar month, each quarter, or each year, depending on your specific due date.
