

With open enrollment starting soon, now's the time to start thinking about your dental and vision needs for next year. As a Wells Enterprises, Inc. employee, you have access to comprehensive dental benefits, and an **exclusive new vision benefit, One & Sun™**.

Dental and vision coverage are an important part of your overall health and wellness. Regular exams can identify early signs of diseases and chronic health conditions before they become more serious and harder to treat.

2021 dental benefits – what you need to know

With dental benefits through Delta Dental of Iowa, you get:

- **Benefits that start right away** – no waiting periods if you need dental care now.
- Preventive care like cleanings, exams and x-rays are **covered at 100%**.
- Coverage for cavities, emergency treatment, braces and other major services.
- Access to the **largest network of dentists** in Iowa and nationwide. That means you can potentially save even more when you see an in-network dentist.
